Organization Has Been Named a Top RPO Provider a Dozen Times

LOS ANGELES--(BUSINESS WIRE)--Sep. 18, 2018-- [Korn Ferry](#) (NYSE:KFY) has once again been recognized as a top five Recruitment Process Outsourcing (RPO) provider in HRO Today Magazine's 2018 Baker's Dozen list. Korn Ferry has been named a top provider on the list a dozen times, coming in at No. 2 this year.

The annual rankings are developed from a survey of RPO buyers and industry experts. Evaluating both the quality and breadth of services that providers offer, the rankings also take into consideration the size of deals they deliver on. In addition to being named the No. 2 overall provider globally, Korn Ferry has also been named No. 2 on quality of service.

"Being recognized as a top two RPO global provider reflects the hard work of the team and continued investment in customers, people and solutions," said Byrne Mulrooney, CEO, Korn Ferry RPO, Professional Search & Products. "This underlines the strategic business value that Korn Ferry can bring to organizations, and will only motivate us to innovate further and provide even more value for our clients."

Korn Ferry has moved up by two places since 2017's rankings. This improvement, as well as cementing its position in the top five over the last three years, demonstrates the company's progression in the RPO market and reflects its ability to compete and deliver against shifting and increasingly demanding customer requirements.

Elliot Clark, CEO & Chairman at SharedXpertise, publishers of HRO Today Magazine added, "The achievement of being named a leader in the RPO industry twelve years in a row cannot be overstated. Korn Ferry has innovated across the board – from the services it offers to its engagement with customers. As RPO grows in strategic importance, the company continues to excel."
