NEW YORK--(BUSINESS WIRE)--Oct. 26, 2015-- Korn Ferry (NYSE:KFY), the preeminent global people and organizational advisory firm, today announced that Kyle Bowsby has joined the firm's Sports Practice, which is led by industry pioneer Jed Hughes.

Kyle Bowsby joins Korn Ferry from SportsDesk Media, a company that helps organizations develop deeper understanding of online fans and customers, where he was the Manager of Business Development. In this role, he focused his outreach efforts on the collegiate and professional sports ranks while also assisting the day-to-day operations of the company's digital media campaigns.

During his time with SportsDesk Media, Bowsby saw the sports marketing start-up grow from just five properties to 60 in under 18 months. SportsDesk Media's partial client list includes UFC, Hendrick Motorsports, Chicago Bears, Cleveland Browns, Sacramento Kings, Oklahoma City Thunder, Cleveland Cavaliers, Florida Panthers, NCAA, Atlantic Coast Conference, Big 12 Conference, Mountain West Conference and 25 college athletic departments.

"We are pleased to have Kyle Bowsby join our team. In his previous experience, he has had the opportunity to work with collegiate and professional sports organizations, with agents and others in the sports marketing arena," said Jed Hughes, vice chair and leader of Korn Ferry's Global Sports Practice. "His work with SportsDesk Media helps us bring a greater digital point of view to executive search."

Prior to SportsDesk Media, Bowsby worked at Lee & Associates Commercial Real Estate as a Sales Associate at the firm's North San Diego office, where he assisted with business development for the Barr & Bennett net leased investment team. He was responsible for establishing private and institutional client relationships and received recognition for the largest office and industrial transactions in 2011 and the largest retail transactions in both 2012 and 2013.

A 2010 graduate of the University of Iowa with a B.A. in Sport Management and a Business Minor in Entrepreneurial Management, Bowsby is currently enrolled at Northwestern University and is expected to receive his Masters of Sports Administration in 2016.
