KORN/FERRY INTERNATIONAL AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(unaudited)
(in thousands, except per share amounts)

1. Summary of Significant Accounting Policies

Basis of Presentation

The consolidated financial statements for the three months and six months ended October 31, 2000 and 1999 include the accounts of Korn/Ferry International ("KFY"), all of its wholly and majority owned domestic and international subsidiaries, and affiliated companies in which KFY has effective control (collectively, the "Company") and are unaudited but include all adjustments, consisting of normal recurring accruals and any other adjustments, which management considers necessary for a fair presentation of the results for these periods. These financial statements have been prepared consistently with the accounting policies described in the Company's Annual Report on Form 10-K for the fiscal year ended April 2000 ("Annual Report") and should be read together with the Annual Report.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. As a result, actual results could differ from these estimates.

Reclassifications

Certain prior year reported amounts have been reclassified in order to conform to the current year consolidated financial statement presentation.

New Accounting Pronouncements

During fiscal 2000, the Company adopted the American Institute of Certified Public Accountants Statement of Position 98-1 ("SOP 98-1"), "Accounting for the Cost of Computer Software Developed or Obtained for Internal Use", and during fiscal 2001, the Company adopted the related Emerging Issues Tax Force Issue No: 00-2 ("EITF 00-2"), "Accounting for Web Site Development Costs." The adoption of SOP 98-1 and EITF 00-2 did not have a material effect on the consolidated financial statements or the Company's capitalization policy.

2. Basic and Diluted Earnings Per Share

Basic earnings per common share ("basic EPS") was computed by dividing net income by the weighted average number of common shares outstanding during the period. Diluted earnings per common and common equivalent share ("diluted EPS") reflects the potential dilution that would occur if the outstanding options or other contracts to issue common stock were exercised or converted and was computed by dividing the net income by the weighted average number of shares of common stock outstanding and dilutive common equivalent shares. Following is a reconciliation of the numerator (income) and denominator (shares in thousands) used in the computation of basic and diluted EPS:

4. Business segments

The Company operates in two global business segments in the retained recruitment industry. These business segments, executive recruitment and Futurestep, are distinguished primarily by the method used to identify candidates and the candidates' level of compensation. The executive recruitment business segment is managed by geographic regions led by a regional president and Futurestep's worldwide operations are managed by a chief executive officer. With the acquisition of JobDirect in fiscal 2001, the Company expanded into the related college recruitment market. JobDirect has operations throughout the United States and is managed by a chief executive officer. For purposes of the geographic information below, Mexico's operating results are included in Latin America.

A summary of the Company's operations (excluding interest income and other income, and interest expense) by business segment follows:

5. Acquisitions

In July 2000, the Company completed two acquisitions: Westgate Group, a leading executive recruitment firm, specializing in financial services in the eastern United States and JobDirect, an online recruiting service focused on college graduates and entry level professionals. The purchase price was payable in cash of \$38.4 million, 154,923 shares of the Company's common stock, and notes payable of \$5.0 million. These acquisitions were accounted for under the purchase method and resulted in \$42.5 million of goodwill. Operating results of these businesses have been included in the consolidated financial statements from their acquisition dates.

Item 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Forward-looking Statements

This Form 10-Q may contain statements that we believe are, or may be considered to be, "forward-looking" statements, within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements generally can be identified by use of statements that include phrases such as "believe", "expect", "anticipate", "intend", "plan", "foresee", "may", "will", "estimates", "potential", "continue" or other similar words or phrases. Similarly, statements that describe our objectives, plans or goals also are forward-looking statements. All of these forward-looking statements are subject to risks and uncertainties that could cause our actual results to differ materially from those contemplated by the relevant forward-looking statement. The principal risk factors that could cause actual performance and future actions to differ materially from the forward-looking statements include, but are not limited to, dependence on attracting and retaining qualified and experienced consultants, portability of client relationships, local political or economic developments in or affecting countries where we have operations, ability to manage growth, restrictions imposed by off-limits agreements, competition, implementation of an acquisition strategy, integration of acquired businesses, risks related to the development and growth of Futurestep, reliance on information processing systems, and employment liability risk. Readers are urged to consider these factors carefully in evaluating the forward-looking statements. The forward-looking statements included in this Form 10-Q are made only as of the date of this report and we undertake no obligation to publicly update these forward-looking statements to reflect subsequent events or circumstances.

The following presentation of management's discussion and analysis of our financial condition and results of operations should be read together with our consolidated financial statements included in this Form 10-Q.

Overview

We are the world's preeminent recruitment firm with the broadest global presence in the recruitment industry. We lead the industry with approximately 500 executive recruitment consultants and over 100 Futurestep consultants based in over 77 cities across 41 countries at April 30, 2000. Our clients are many of the world's largest and most prestigious public and private companies, middle-market and emerging growth companies as well as governmental and not-for-profit organizations. Almost half of the executive recruitment searches we performed in fiscal 2000 were for board level, chief executive and other senior executive officer positions and nearly half of our 4,946 clients were Fortune 500 companies or their subsidiaries. We have established strong client loyalty; more than 82% of the executive recruitment assignments we performed in fiscal 2000 were on behalf of clients for whom we had conducted multiple assignments over the last three fiscal years.

In May 1998, we introduced our middle-management recruitment service, Futurestep. Futurestep combines our recruitment expertise with exclusive candidate assessment tools and the reach of the Internet to accelerate recruitment of candidates for middle-management positions and assess cultural compatibility. In March 1999, we completed the United States roll-out of Futurestep. The international roll-out of Futurestep was launched in the United Kingdom and Canada in the first fiscal quarter of the prior year. As of April 30, 2000, we had opened 15 additional international offices and completed the integration of the acquired executive search and selection business of PA Consulting Group with offices in 17 countries in Europe and Asia/Pacific. As of October 31, 2000, over 840,000 candidates worldwide had completed a detailed on-line profile.

In May 2000, we acquired a 9.2% interest in Jungle Interactive Media, Inc., a company providing internet based information, entertainment, products and services to targeted groups within higher education. In July 2000, we completed the acquisition of JobDirect.com, Inc., a leading online college recruitment company exclusively serving clients' requirements for entry-level college graduates. In August 2000, we closed a 16% equity investment in Webhire, Inc., the leading business services and technology solutions provider in the Internet recruitment marketplace.

Through executive recruitment, Futurestep and JobDirect, supported by our strategic investments in Webhire and Jungle Interactive, we are well positioned to execute our strategy to provide clients with end-to-end human capital management solutions.

Results of Operations

The following table summarizes the results of our operations for the three months and six months ended October 31, 2000 and 1999 as a percentage of revenue.

In the following comparative analysis, all percentages are calculated based on dollars in thousands.

Three Months Ended October 31, 2000 Compared to Three Months Ended October 31, 1999

Revenue. Revenue increased \$57.3 million, or 49%, to \$173.6 million for the three months ended October 31, 2000 from \$116.3 million for the three months ended October 31, 1999. This increase in revenue was primarily the result of an increase in the number of engagements with a corresponding increase in the number of consultants, and an increase

in the average fee per engagement in executive recruitment; and an increase in revenue from Futurestep and the acquisition of JobDirect in the current fiscal year.

In North America, revenue increased \$29.4 million, or 46%, to \$93.5 million

for the three months ended October 31, 2000 from \$64.1 million for the comparable period in the prior year. This revenue growth is due mainly to an increase in the number of engagements supported by an increase in the number of consultants. The advanced technology, financial services and industrial specialty practices delivered particularly strong performance.

Revenue in Europe increased \$8.6 million, or 34%, to \$34.4 million for the three months ended October 31, 2000 from \$25.8 million for the comparable period in the prior year. Excluding the negative effects of foreign currency translation into the U.S. dollar, revenue would have increased approximately 52%. This increase is mainly due to an increase in the number of engagements supported by an increase in the number of consultants and approximately \$6.1 million in incremental revenue related to the acquisition in Germany in the prior year third quarter.

In Asia/Pacific, revenue increased \$0.8 million, or 6%, to \$13.5 million for the three months ended October 31, 2000 from \$12.7 million for the three months ended October 31, 1999 primarily due to an increase in the average fee per engagement partially offset by a decrease in the number of engagements. The negative effective of foreign currency translation into the U.S. dollar resulted in a decline of approximately 4% in reported revenue compared to the same three month period last year.

The increase in revenue in Latin America of \$2.1 million, or 29%, to \$9.5 million for the three months ended October 31, 2000 from \$7.4 million for the comparable three month period in fiscal 2000 is due primarily to continued strong performance in Mexico and the improvement in the Brazilian economy compared to the prior year three month period. The effect of foreign currency translation was negligible to reported revenue in Latin America.

Futurestep revenue of \$21.1 million for the three months ended October 31, 2000 is primarily attributable to an increase in the number of engagements in North America during the current fiscal quarter and reflects the worldwide roll-out of the business and the acquisition of the ESS business of PA Consulting in late fiscal 2000.

JobDirect revenue of \$1.7 million for the three months ended October 31, 2000 reflects approximately 580 corporate clients and 380 college career offices using our service. As of October 31, 2000, over 1.2 million students had registered on the database.

Compensation and Benefits. Compensation and benefits expense increased \$34.1 million, or 50%, to \$102.8 million for the three months ended October 31, 2000 from \$68.7 million for the comparable period ended October 31, 1999 due primarily to an increase in the number of employees from the prior year. Excluding Futurestep expenses of \$13.7 million and JobDirect expenses of \$2.2 million in the current three month period and Futurestep expenses of \$3.6 million in the same period last year, compensation and benefits as a percentage of revenue decreased to 57.6% in the most recent three month period from 59.2% in the three months ended October 31, 1999. This decrease follows the exceptional performance and related higher bonus accrual in the current year first quarter.

General and Administrative Expenses. General and administrative expenses consist of occupancy expense associated with our leased premises, information and technology infrastructure, marketing and other general office expenses. General and administrative expenses increased \$21.2 million, or 59%, to \$57.3 million for the three months ended October 31, 2000 from \$36.1 million for the comparable period ended October 31, 1999. As a percentage of revenue, general and administrative expenses, excluding Futurestep and JobDirect related expenses, remained constant at 24.1% of revenue in each period.

Operating Profit. Operating profit increased \$2.1 million in the three months ended October 31, 2000, to \$13.6 million, or 7.8% of revenue, from \$11.5 million, or 9.9% of revenue, in the prior year three month period. Excluding the Futurestep losses of \$10.0 million and JobDirect losses of \$4.0 million in the current year and Futurestep losses of \$6.8 million in the prior year, operating profit for the three months ended October 31, 2000 increased \$9.4 million, or 51%, to \$27.7 million compared to the three months ended October 31, 1999. Operating profit as a percentage of revenue, excluding Futurestep and JobDirect, was 18.3% and 16.6% for the three months ended October 31, 2000 and 1999. This margin increase reflects an increase in all regions compared to the prior year three month period due primarily to the decrease in compensation and benefits as a percentage of revenue in the current three month period.

Interest Income and Other Income, Net. Interest income and other income, net, includes interest income of \$0.8 million and \$1.4 million for the three months ended October 31, 2000 and 1999, respectively.

Interest Expense. Interest expense increased \$1.3 million in the three months ended October 31, 2000, to \$2.1 million from \$0.8 million in the prior year, primarily due to borrowings under the line of credit associated with acquisitions during the first quarter of fiscal 2001 and an increase in notes

payable to shareholders resulting from acquisitions in the fourth quarter of fiscal 2000.

Provision for Income Taxes. The provision for income taxes decreased \$0.3 million to \$4.9 million for the three months ended October 31, 2000 from \$5.2 million for the comparable period ended October 31, 1999. The effective tax rates were 40% and 42% for the current and the prior year three month periods. The decrease in the effective tax rate in the current three month period is due to a non-taxable gain on corporate-owned life insurance included as a reduction in deferred compensation expense.

Non-controlling Shareholders' Interest. Non-controlling shareholders' interest is comprised of the non-controlling shareholders' majority interest in our Mexico subsidiaries. Non-controlling shareholders' interest increased \$0.5 million to \$1.1 million in the current three month period compared to \$0.6 million in the prior year period and reflects the increase in net income generated by the Mexico subsidiaries during the current fiscal three month period.

Six Months Ended October 31, 2000 Compared to Six Months Ended October 31, 1999

Revenue. Revenue increased \$126.1 million, or 57%, to \$347.2 million for the six months ended October 31, 2000 from \$221.1 million for the six months ended October 31, 1999, including an increase in revenue from Futurestep of \$32.4 million compared to the same period in the prior year and revenue of \$1.8 million from JobDirect in the current six month period. The increase in executive recruitment revenue of \$91.9 million, or 44%, was primarily the result of an increase in the number of executive recruitment engagements supported by an increase in the average number of consultants and an increase in the average fee per engagement.

In North America, revenue increased \$68.1 million, or 56%, to \$189.5 million for the six months ended October 31, 2000 from \$121.4 million for the comparable period in the prior year due mainly to an increase in the number of engagements, supported by an increase in the number of consultants.

In Europe, revenue increased \$17.4 million, or 34%, to \$68.3 million for the six months ended October 31, 2000 from \$50.9 million for the six months ended October 31, 1999. Excluding the negative effects of foreign currency translation into the U.S. dollar and including incremental revenue of \$11.4 million related to the acquisition in Germany in the prior year third quarter, revenue increased 49% compared to the same period in the prior year. This increase is primarily due to an increase in the number of engagements, supported by an increase in the number of consultants, and an increase in the average fee per engagement.

Revenue in Asia/Pacific increased \$2.8 million, or 12%, from \$26.7 million for the six months ended October 31, 2000 compared to \$23.9 million for the comparable period in the prior year due primarily to an increase in the average fee per engagement. The negative effect of foreign currency translation into the U.S. dollar resulted in a decline of approximately 3% in reported revenue compared to the same six month period last year.

The increase in revenue in Latin America of \$3.6 million, or 25%, to \$18.3 million for the six months ended October 31, 2000 from \$14.7 million for the comparable six month period in fiscal 2000 is attributable mainly to continued strong performance by Mexico and improvement in the economy in Brazil compared to the same period last year.

Futurestep revenue of \$42.7 million for the six months ended October 31, 2000 increased \$32.4 million from the same period last year. This increase is primarily attributable to additional engagements in North America in the current six month period, the acquisition of the ESS business of PA Consulting in January 2000, and reflects the worldwide roll-out of the business in late fiscal 2000.

Compensation and Benefits. Compensation and benefits expense increased \$75.8 million, or 57%, to \$209.3 million for the six months ended October 31, 2000 from \$133.5 million for the comparable period ended October 31, 1999 due primarily to an increase in the number of executive recruitment consultants and Futurestep employees and the acquisition of JobDirect in the current year. The \$52.0 million increase for the six months ended October 31, 2000, excluding Futurestep expenses of \$28.2 million and JobDirect expenses of \$2.3 million, reflects a 30% increase in the average number of consultants for the six months ended October 31, 2000 over the comparable period in 1999. On a comparable basis, excluding Futurestep and JobDirect, compensation and benefits expense as a percentage of revenue decreased to 59.1% in the most recent six month period from 60.2% in the six months ended October 31, 1999.

General and Administrative Expenses. General and administrative expenses consist of occupancy expense associated with our leased premises, information and technology infrastructure, marketing and other general office expenses.

General and administrative expenses increased \$39.9 million, or 61%, to \$105.8 million for the six months ended October 31, 2000 from \$65.9 million for the comparable period ended October 31, 1999. As a percentage of revenue, general and administrative expenses, excluding Futurestep and JobDirect related expenses, declined to 22.7% for the six months ended October 31, 2000 from 23.6% for the comparable period in 1999. The decrease primarily reflects the higher percentage increase in revenue.

Operating Profit. Operating profit increased \$10.3 million in the six months ended October 31, 2000, to \$32.1 million, or 9.3% of revenue, from \$21.8 million, or 9.8% of revenue, in the prior year six month period. Excluding the Futurestep losses of \$18.5 million and JobDirect losses of \$4.4 million in the current six month period and Futurestep losses of \$12.4 million in the same period in the prior year, operating profit for the six months ended October 31, 2000 increased \$20.9 million, or 61%, to \$55.1 million compared to the six months ended October 31, 1999. Operating profit, excluding Futurestep and JobDirect, as a percentage of revenue was 18.2% and 16.2% for the six months ended October 31, 2000 and 1999, respectively. The increased margin reflects improvement in all regions compared to the prior year six month period due primarily to the increase in revenue and decline in compensation and benefits and general and administrative expense as a percentage of revenue relative to the same period last year.

Interest Income and Other Income, Net. Income interest and other income, net, includes interest income of \$2.4 million and \$2.8 million for the six months ended October 31, 2000 and 1999, respectively.

Interest Expense. Interest expense increased \$2.2 million in the six months ended October 31, 2000, to \$3.8 million from \$1.6 million in the prior year, primarily due to borrowings under the line of credit associated with acquisitions during the first quarter of fiscal 2001 and to an increase in notes payable to shareholders resulting from acquisitions in the fourth quarter of fiscal 2000.

Provision for Income Taxes. The provision for income taxes increased \$2.9 million to \$12.7 million for the six months ended October 31, 2000 from \$9.8 million for the comparable period ended October 31, 1999. The effective tax rate was 41% and 42% for the current and prior year six month periods, respectively.

Non-controlling Shareholders' Interest. Non-controlling shareholders' interest is comprised of the non-controlling shareholders' majority interest in our Mexico subsidiaries. Non-controlling shareholders' interest increased \$0.5 million in the current six month period to \$1.9 million, compared to \$1.4 million in the comparable prior year period and reflects the increase in net income generated by the Mexico subsidiaries during the current fiscal six month period.

Liquidity and Capital Resources

We maintained cash and cash equivalents of \$66.8 million at October 31, 2000 and \$92.5 million at October 31, 1999. During the six months ended October 31, 2000 and 1999, cash used in operating activities was \$30.8 million and \$1.1 million, respectively. Operating cash used in the current six month period is primarily due to a decrease in accounts payable and accrued liabilities mainly related to fiscal 2000 bonuses paid in fiscal 2001.

Cash used in investing activities was \$9.9 million for the current six month period and \$21.9 million for the six months ended October 31, 1999. In the current six month period, cash flows used in investing activities included \$44.3 million for business acquisitions, \$10.6 million primarily for the purchase of equity interests in Jungle Interactive and Webhire, offset by proceeds from the sale of marketable securities of \$61.1 million. In the six months ended October 31, 1999, we completed three acquisitions resulting in a total cash outflow of \$4.3 million and we purchased marketable securities of \$5.8 million.

Excluded from cash flows is the non-cash charge to other comprehensive income of \$1.4 million, representing the unrealized loss, net of tax, on our investment in Webhire. This unrealized loss was due to a decline in the market price per share from the \$2.35 acquisition price to \$1.63 at October 31, 2000.

Cash flows from investing activities also includes premiums paid on corporate-owned life insurance, or COLI, contracts. We purchase COLI contracts to provide a funding vehicle for anticipated payments due under our deferred executive compensation programs. Premiums on these COLI contracts were \$3.4 million and \$2.8 million for the six months ended October 31, 2000 and 1999, respectively. Generally, we borrow against the cash surrender value of the COLI contracts to fund the COLI premium payments to the extent interest expense on the borrowings is deductible for U.S. income tax purposes.

Capital expenditures totaled \$12.8 million and \$8.9 million for the six months ended October 31, 2000 and 1999, respectively. These expenditures consisted primarily of systems hardware and software costs, upgrades to information systems and leasehold improvements. The \$3.9 million increase in

capital expenditures in the six months ended October 31, 2000 compared to the prior year six month period relates primarily to increased fixed asset spending at Futurestep to support its worldwide infrastructure.

Cash provided by financing activities was approximately \$22.0 million and \$2.3 million during the six months ended October 31, 2000 and 1999, respectively. The current six month period included borrowings of \$28.0 million under our line of credit offset by payments of \$13.0 million. Proceeds from stock options exercised were \$4.8 million in the current six month period. Receipts on shareholder notes were \$2.9 million and \$2.4 million in the current and prior year six month periods and repurchases of common stock and payments on related notes were \$1.1 million in both the six months ended October 31, 2000 and 1999.

Total outstanding borrowings under life insurance policies were \$45.3 million and \$43.7 million at October 31, 2000 and 1999, respectively. These borrowings are secured by the cash surrender value of the life insurance policies, do not require principal payments and bear interest at various variable rates.

To provide additional liquidity, we replaced our existing credit line with a \$100 million credit facility with Bank of America effective October 31, 2000. The credit facility is a revolving facility that matures on November 2, 2002 and includes a standby letter of credit subfacility. Borrowings under the line of credit bear interest on a sliding scale based on a leverage ratio. We have the option of borrowing using either LIBOR or the higher of the bank's prime lending rate or the Federal Funds rate plus .5%. The financial covenants include a fixed charge coverage ratio, a maximum leverage ratio, a minimum quick ratio and other customary events of default.

We believe that cash on hand, funds from operations and available borrowings under our credit facilities will be sufficient to meet our anticipated working capital, capital expenditures and general corporate requirements for the foreseeable future.

Euro Conversion

As of January 1, 1999, several member countries of the European Union established fixed conversion rates among their existing local currencies and adopted the Euro as their new common legal currency. The Euro trades on currency exchanges and the legacy currencies will remain legal tender in the participating countries for a transition period which expires January 1, 2002.

During the transition period, cashless payments can be made in the Euro, and parties can elect to pay for goods and services and transact business using either the Euro or a legacy currency. Between January 1, 2002 and July 1, 2002, the participating countries will introduce Euro notes and coins and withdraw all legacy currencies so that they will no longer be available.

We have assessed our information technology systems to determine that they allow for transactions to take place in both the legacy currencies and the Euro and accommodate the eventual elimination of the legacy currencies. Our currency risk may be affected as the legacy currencies are converted to the Euro. Accounting, tax and governmental legal and regulatory guidance generally has not been provided in final form and we will continue to evaluate issues involving introduction of the Euro throughout the transition period. The conversion to the Euro has not had a significant impact on our operations to date.

Recently Issued Accounting Standards

During fiscal 2000, we adopted the American Institute of Certified Public Accountants Statement of Position 98-1 ("SOP 98-1"), "Accounting for the Cost of Computer Software Development or Obtained for Internal Use" and during fiscal 2001, we adopted the related Emerging Issues Task Force Issue No: 00-2 ("EITF 00-2"), "Accounting for Web Site Development Costs." The adoption of SOP 98-1 and EITF 00-2 did not have a material effect on the consolidated financial statements or our capitalization policy.

Item 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Currency Market Risk

As a result of our global operating activities, we are exposed to certain market risks including foreign currency exchange fluctuations, fluctuations in interest rates and variability in interest rate spread relationships. We manage

our exposure to these risks in the normal course of our business as described below. We have not utilized financial instruments for trading or other speculative purposes nor do we trade in derivative financial instruments.

Foreign Currency Risk. Generally, financial results of our foreign

subsidiaries are measured in their local currencies. Assets and liabilities are translated into U.S. dollars at the rates of exchange in effect at the end of each period and revenue and expenses are translated at average rates of exchange during the period. Resulting translation adjustments are reported as a component of comprehensive income.

Financial results of foreign subsidiaries in countries with highly inflationary economies are measured in U.S. dollars. The financial statements of these subsidiaries are translated using a combination of current and historical rates of exchange and any translation adjustments are included in determining net income.

Historically, we have not realized any significant translation gains or losses on transactions involving U.S. dollars and other currencies. This is primarily due to natural hedges of revenue and expenses in the functional currencies of the countries in which our offices are located and investment of excess cash balances in U.S. dollar denominated accounts. During the six months ended October 31, 2000, we recognized a foreign currency loss of \$1.1 million after tax primarily related to our European operations. Realization of translation gains or losses due to the translation of intercompany payables denominated in U.S. dollars is mitigated through the timing of repayment of these intercompany borrowings.

Interest Rate Risk. We primarily manage our exposure to fluctuations in interest rates through our regular financing activities that generally are short term and provide for variable market rates. As of October 31, 2000, we had outstanding borrowings of \$15.0 million on our revolving line of credit bearing interest at the bank's prime lending rate, \$45.3 million of borrowings against the cash surrender value of COLI contracts bearing interest at variable rates payable at least annually and \$35.9 million of long-term notes payable to shareholders resulting from business acquisitions in the fourth quarter of fiscal 2000, payable through fiscal 2004 at variable market rates.

2.4 Redesignation of Loans. Borrower may redesignate a Base Rate

Loan, or any portion thereof subject to Section 2.1(d), as a Eurodollar Rate Loan by delivering a Request for Redesignation to the Administrative Agent at the Administrative Agent's Office subject to the same time limitations and other conditions set forth in Sections 2.3 and 3.1(e) (iv) in the case of a Request for Loan. Borrower may redesignate a Eurodollar Rate Loan, or any portion thereof subject to Sections 2.1(d) and 2.1(f), as a Base Rate Loan by delivering a Request for Redesignation to the Administrative Agent at the Administrative Agent's Office subject to the same time limitations and other conditions set forth in Sections 2.2 and 3.1(e) (iv); provided that such redesignation shall not

be effective prior to the end of the Eurodollar Period for that Eurodollar Rate Loan. If no timely Request for Redesignation is delivered to the Administrative Agent prior to the end of the Eurodollar Period for any Eurodollar Rate Loan, it shall automatically be redesignated as a Base Rate Loan as of the end of such Eurodollar Period.

2.5 Letters of Credit.

(a) Subject to the terms and conditions hereof, at any time and from time to time from the Closing Date through the day prior to the Maturity Date, the Issuing Lender shall issue such Letters of Credit as Borrower may request by a Request for Letter of Credit; provided that,

giving effect to the issuance of such Letter of Credit, (i) in no event shall the Letter of Credit Usage exceed \$10,000,000 at any time, and (ii) the Letter of Credit Usage plus

-22-

the then aggregate outstanding principal amount of the Loans plus the

Permitted Stock Repurchase Adjustment Amount shall not exceed the Commitment.

(b) Unless all the Lenders otherwise consent in writing delivered to the Administrative Agent, the terms of Letters of Credit shall not exceed one year and shall not extend beyond the Maturity Date.

(c) Each Request for Letter of Credit shall be submitted to the Issuing Lender at least one Banking Day prior to the date when the issuance of a Letter of Credit is requested. Upon issuance of a Letter of Credit, the Issuing Lender shall promptly notify the Administrative Agent, and the Administrative Agent shall thereafter promptly notify the Lenders, of the amount and terms thereof

(d) Upon the issuance of a Letter of Credit, each Lender shall be deemed to have purchased a pro rata participation from the Issuing Lender, in an amount equal to that Lender's Pro Rata Share, of the Letter of Credit. Without limiting the scope and nature of each such Lender's

participation in any Letter of Credit, to the extent that the Issuing Lender has not been reimbursed by Borrower for any payment required to be made by the Issuing Lender under any Letter of Credit, each such Lender shall reimburse the Administrative Agent for the account of the Issuing Lender, promptly upon demand for the amount of such payment in accordance with its Pro Rata Share. The obligation of each such Lender to so reimburse the Issuing Lender shall be absolute and unconditional and shall not be affected by the occurrence of an Event of Default or any other occurrence or event. Any such reimbursement shall not relieve or otherwise impair the obligation of Borrower to reimburse the Issuing Lender for the amount of any payment made by the Issuing Lender under any Letter of Credit together with interest as hereinafter provided.

(e) After the making by the Issuing Lender of any payment with respect to any Letter of Credit issued for the account of Borrower, Borrower agrees to pay to the Issuing Lender, within one Banking Day after demand therefor, a principal amount equal to any payment made by the Issuing Lender under that Letter of Credit, together with interest at the Default Rate on such amount from the date of such demand made by the Issuing Lender through the date of payment by Borrower. The principal amount of any such payment made to the Issuing Lender shall be used to reimburse the Issuing Lender for the payment made by it under the Letter of Credit. Each Lender that has reimbursed the Issuing Lender pursuant to Section 2.5(d) for its Pro Rata Share of any payment made by the Issuing Lender under a Letter of Credit shall thereupon acquire a participation, to the extent of such reimbursement, in the claim of the Issuing Lender against Borrower under this Section 2.5(e).

(f) If Borrower fails to make the payment required by Section 2.5(d), the Administrative Agent may but is not required to, without notice to or the consent of Borrower, cause Loans to be made by the Lenders having a Pro Rata Share in accordance with their respective Pro Rata Shares in an aggregate amount equal to the amount paid by the Issuing Lender on that Letter of Credit and, for this purpose, the conditions precedent set forth in Article 8 shall not apply. The proceeds of such Loans shall be paid to the Issuing Lender to reimburse it for the payment made by it under the Letter of

(g) The issuance of any supplement, modification, amendment, renewal, or extension to or of any Letter of Credit shall be treated in all respects the same as the issuance of

-23-

a new Letter of Credit, and shall require the submission of a new Request for Letter of Credit; provided however that nothing contained in this

clause (g) shall require the payment of any additional issuance fees in respect thereof by Borrower other than with respect to any extension of the

term thereof or renewal thereof or any increase in the amount of such Letter of Credit.

(h) The obligation of Borrower to pay to the Issuing Lender the amount of any payment made by the Issuing Lender under any Letter of Credit issued to Borrower shall be absolute, unconditional, and irrevocable, subject only to performance by the Issuing Lender of its obligations to Borrower under California Commercial Code Section 5109. Without limiting the foregoing, the obligations of Borrower shall not be affected by any of the following circumstances:

(i) any lack of validity or enforceability of the Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) any amendment or waiver of or any consent to departure from the Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(iii) the existence of any claim, setoff, defence, or other rights which Borrower may have at any time against any Lender, any beneficiary of the Letter of Credit (or any persons or entities for whom any such beneficiary may be acting) or any other Person, whether in connection with the Letter of Credit, this Agreement, or any other agreement or instrument relating thereto, or any unrelated transactions;

(iv) any demand, statement, or any other document presented under the Letter of Credit proving to be forged, fraudulent, invalid, or insufficient in any respect or any statement therein being untrue or inaccurate in any respect whatsoever so long as any such document reasonably appeared to comply with the terms of the Letter of Credit;

(v) the solvency or financial responsibility of any party

issuing any documents in connection with a Letter of Credit;

(vi) any error in the transmission of any message relating to a Letter of Credit not caused by the Issuing Lender, or any delay or interruption in any such message;

(vii) any error, neglect or default of any correspondent of the Issuing Lender in connection with a Letter of Credit;

(viii) any consequence arising from acts of God, war, insurrection, disturbances, labor disputes, emergency conditions or other causes beyond the control of the Issuing Lender;

(ix) so long as the Issuing Lender in good faith determines that the draft, contract or document appears to comply with the terms of the Letter of Credit, the form, accuracy, genuineness or legal effect of any contract or document referred to

-24-

in any document submitted to the Issuing Lender in connection with a Letter of Credit; and

(x) where the Issuing Lender has acted in good faith and without gross negligence, in any other circumstances whatsoever.

(xi) The Issuing Lender shall be entitled to the protection accorded to the Administrative Agent pursuant to Article 10, mutatis mutandis.

2.6 Reductions of the Commitment. (a) The Commitment shall

automatically, but not permanently, be reduced, as of the date any Permitted Seller Indebtedness is incurred by any Subsidiary of Borrower, by an amount, without duplication, equal to the amount by which the aggregate Permitted Seller Indebtedness incurred by Subsidiaries of Borrower exceeds \$25,000,000; provided,

however, that once so reduced, the Commitment shall automatically be increased, as of the date of delivery of any Compliance Certificate, by an amount (if positive) equal to (i) the then current amount of reductions in the Commitment

made pursuant to this Section 2.6(a) minus (ii) the amount by which the

outstanding Permitted Seller Indebtedness of Subsidiaries of Borrower as set forth in such Compliance Certificate exceeds \$25,000,000.

(b) Borrower shall have the right, at any time and from time to time, without penalty or charge, upon at least five Banking Days prior written notice to the Administrative Agent, voluntarily to reduce, permanently and irrevocably, in aggregate principal amounts in an integral multiple of \$1,000,000, or to terminate, all or any portion of the then undisbursed portion of the Commitment, provided that any such reduction or termination shall be accompanied by payment

of all accrued and unpaid commitment fees with respect to the portion of the Commitment being reduced or terminated.

2.7 Rights to Assume Funds Available for Loans. Unless the

Administrative Agent shall have been notified by any Lender no later than 10:00 a.m. (Los Angeles time) no later than the Banking Day prior to the Banking Day proposed for the funding by the Administrative Agent of any Loan that any such Lender does not intend to make available to the Administrative Agent such Lender's portion of the total amount of any such Loan, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on the date of the Loan and may, in reliance upon such assumption, make available to Borrower a corresponding amount. If the Administrative Agent has made funds available to Borrower based on such an assumption and such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon demand therefor, the Administrative Agent promptly shall notify Borrower and Borrower shall pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover from such Lender interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to Borrower to the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to the Federal Funds Rate. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Pro Rata Share or to prejudice any rights which the Administrative Agent may have against any Lender as a result of any default by such Lender hereunder.

-25-

PAYMENTS AND FEES

3.1 Principal and Interest.

(a) Interest shall be payable on the outstanding daily unpaid principal amount of each Loan from the date thereof until payment in full is made and shall accrue and be payable at the rates set forth herein before and after default, before and after maturity, before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law, with interest on overdue interest to bear interest at the Default Rate to the fullest extent permitted by applicable Laws.

(b) Interest accrued on each Base Rate Loan shall be due and payable on the last day of each calendar month. Except as otherwise

provided in Section 3.7, the unpaid principal amount of each Base Rate Loan shall bear interest at a fluctuating rate per annum equal to the Base Rate plus the Base Rate Margin, if any. Each change in the interest rate

hereunder shall take effect simultaneously with the corresponding changes in the Base Rate.

(c) Interest accrued on each Eurodollar Rate Loan shall be due and payable on the earlier of (i) the last day of the related Eurodollar Period or (ii) the last day of each calendar month. Except as otherwise

provided in Sections 3.6 and 3.7, the unpaid principal amount of any Eurodollar Rate Loan shall bear interest at a rate per annum equal to the Eurodollar Rate for that Eurodollar Rate Loan plus the Eurodollar Margin.

(d) If not sooner paid, the principal Indebtedness under this Agreement shall be payable as follows:

(i) the principal amount of each Eurodollar Rate Loan shall be immediately payable on the last day of the related Eurodollar Period (which payment may be made subject to the terms and conditions hereof by the making of another Loan).

(ii) the Loans shall be immediately payable in cash in the amount by which the aggregate outstanding amount of the Loans plus the

Letter of Credit Usage plus the Permitted Stock Repurchase Adjustment

Amount at any time exceeds the Commitment.

(iii) the outstanding principal balance of all of the other Loans shall, in any event, be payable on the Maturity Date.

(e) The Loans may, at any time and from time to time, voluntarily be paid or prepaid in whole or in part without premium or penalty and without prior notice, except that with respect to any voluntary

prepayment under this Section 3.1(e), (i) each prepayment shall be in an integral multiple of \$100,000, which is, in the case of any prepayment of any Eurodollar Rate Loan, not less than \$500,000, (ii) the Administrative Agent shall have received written notice of any prepayment at least one Banking Day, in the case of a Base Rate Loan, or three Banking Days, in the case of a Eurodollar Rate Loan, before the date of prepayment, which notice shall identify the date and amount of the prepayment and the Loan(s) being prepaid,

-26-

(iii) each prepayment of principal in respect of a Eurodollar Rate Loan shall be accompanied by payment of interest accrued through the date of payment on the amount of principal paid and (iv) in any event, any payment or prepayment of all or any part of any Eurodollar Rate Loan on a day other than the last day of the applicable Eurodollar Period shall be subject to Section 3.6(d).

3.2 Commitment Fees. From and after the Closing Date, Borrower shall

pay commitment fees to the Administrative Agent for the ratable account of the Lenders having a Pro Rata Share in an amount equal to the Commitment Fee Rate applicable to each relevant Pricing Period times the actual daily difference

between (a) the Commitment and (b) the aggregate outstanding principal amount of the Loans plus the aggregate face amount of all outstanding Letters of Credit.

Commitment fees shall be payable quarterly in arrears on the last Banking Day of each calendar quarter, and on the Maturity Date.

3.3 Letter of Credit Fees. With respect to each Letter of Credit

issued by the Issuing Lender, Borrower shall pay to the Issuing Lender the following fees on a non-refundable basis prior to the issuance of such Letter of Credit:

(i) for the account of the Lenders in accordance with their Pro Rata Shares, a letter of credit fee equal to Eurodollar Margin per annum times the maximum face amount of each Letter of Credit, but not less than \$500, plus

(ii) such standard payment, negotiation, processing, amendment and other similar charges as and when Issuing Lender may from time to time advise Borrower are applicable to Letters of Credit.

3.4 Facility Fee. On the Closing Date, Borrower shall pay to the

Administrative Agent a non-refundable fee of \$50,000.

3.5 Capital Adequacy. If any Lender determines that either (i) the

introduction of or any change in any law, order or regulation or in the interpretation or administration of any law, order or regulation by any Governmental Agency charged with the interpretation thereof or (ii) compliance with any guideline or request issued or made from the date hereof from any such Governmental Agency (whether or not having the force of law) has or would have the effect of reducing the rate of return on the capital of that Lender or any corporation controlling that Lender as a consequence of that Lender's Pro Rata Share or maintaining of Loans or Letters of Credit below the rate at which that Lender or such other corporation could have achieved but for such introduction, change or compliance (taking into account the policies of that Lender or corporation with regard to capital), then Borrower shall from time to time, upon demand by such Lender, pay to that Lender additional amounts sufficient to compensate Lender or other corporation for such reduction. A certificate as to such amounts, submitted to Borrower by the relevant Lender, shall be conclusive and binding for all purposes, absent manifest error.

3.6 Eurodollar Fees and Costs.

(a) If, after the date hereof, the existence or occurrence of any Special Eurodollar Circumstance:

(1) shall subject any Lender or its Eurodollar Lending Office to any tax, duty or other charge or cost with respect to any Eurodollar Rate Loan, or its

-27-

obligation to make Eurodollar Rate Loans, or shall change the basis of taxation of payments to Lender of the principal of or interest on any Eurodollar Rate Loan or any other amounts due under this Agreement in respect of any Eurodollar Rate Loan or its obligation to make Eurodollar Rate Loans (except for changes in any tax, duty or other

charge on the overall net income, gross income or gross receipts of such Lender or its Eurodollar Lending Office);

(2) shall impose, modify or deem applicable any reserve (including any reserve imposed by the Board of Governors of the

Federal Reserve System), special deposit or similar requirements against assets of, deposits with or for the account of, or credit extended by, any Lender or its Eurodollar Lending Office; or

(3) shall impose on any Lender or its Eurodollar Lending Office or the Designated Eurodollar Market any other condition affecting any Eurodollar Rate Loan, its obligation to make Eurodollar Rate Loans or this Agreement, or shall otherwise affect any of the same;

and the result of any of the foregoing, as reasonably determined by such Lender, increases the cost to such Lender or its Eurodollar Lending Office of making or maintaining any Eurodollar Rate Loan or in respect of any Eurodollar Rate Loan, its obligation to make Eurodollar Rate Loans or reduces the amount of any sum received or receivable by such Lender or its Eurodollar Lending Office with respect to any Eurodollar Rate Loan or its obligation to make Eurodollar Rate Loans (assuming the Lender's Eurodollar Lending Office had funded 100% of its Eurodollar Rate Loan in the Designated Eurodollar Market), then, upon demand by such Lender (with a copy to the Administrative Agent), Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender for such increased cost or reduction (determined as though such Lender's Eurodollar Lending Office had funded 100% of its Eurodollar Rate Loan in the

Designated Eurodollar Market). A statement of any Lender claiming compensation under this Section and setting forth the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. Each Lender agrees to endeavour promptly to notify Borrower of any event of which it has actual knowledge (and, in any event, within one year from the date on which it obtained such knowledge), occurring after the Closing Date, which will entitle such Lender to compensation pursuant to this Section, and agrees to designate a different Eurodollar Lending Office if such designation will avoid the need for or reduce the amount of such compensation and will not, in the judgment of such Lender, otherwise be disadvantageous to such Lender.

(b) If, after the date hereof, the existence or occurrence of any Special Eurodollar Circumstance shall, in the reasonable opinion of any Lender, make it unlawful, impossible or impracticable for such Lender or its Eurodollar Lending Office to make, maintain or fund any Eurodollar Rate Loan, or materially restrict the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the Designated Eurodollar Market, or to determine or charge interest rates based upon the Eurodollar Rate, and such Lender shall so notify the Administrative Agent and the Borrower, then such Lender's obligation to make Eurodollar Rate Loans shall be suspended for the duration of such illegality, impossibility or impracticability and the Administrative Agent forthwith shall give notice thereof to the other Lenders and Borrower. Upon receipt of such notice, the outstanding principal amount of such Lender's Eurodollar Rate Loans, together with accrued interest thereon, automatically shall be converted to Base Rate Loans with Eurodollar Periods corresponding to the Eurodollar Loans

-28-

of which such Eurodollar Rate Loans were a part on either (1) the last day of the Eurodollar Period(s) applicable to such Eurodollar Rate Loans if such Lender may lawfully continue to maintain and fund such Eurodollar Rate Loans to such day(s) or (2) immediately if such Lender may not lawfully continue to fund and maintain such Eurodollar Rate Loans to such day(s), provided that in such event the conversion shall not be subject to payment

of a prepayment fee under Section 3.6(d). In the event that such Lender is unable, for the reasons set forth above, to make, maintain or fund any Eurodollar Rate Loan, such Lender shall fund such amount as a Base Rate Loan for the same period of time, and such amount shall be treated in all respects as a Base Rate Loan.

(c) If, with respect to any proposed Eurodollar Rate Loan:

(1) the Administrative Agent reasonably determines that, by reason of circumstances affecting the Designated Eurodollar Market generally that are beyond the reasonable control of the Lenders, deposits in Dollars (in the applicable amounts) are not being offered to the Lenders in the Designated Eurodollar Market for the applicable Eurodollar Period; or

(2) the Requisite Lenders advise the Administrative Agent that the Eurodollar rate as previously determined by the Administrative Agent (i) does not represent the effective pricing to such Lenders for deposits in Dollars in the Designated Eurodollar Market in the relevant amount for the applicable Eurodollar Period, or (ii) will not adequately and fairly reflect the cost to such Lenders of making the applicable Eurodollar Rate Loans;

then the Administrative Agent forthwith shall give notice thereof to Borrower and the Lenders, whereupon until the Administrative Agent notifies Borrower that the circumstances giving rise to such suspension no longer exist, the obligation of the Lenders to make any future Eurodollar Rate Loans shall be suspended. If at the time of such notice there is then pending a Request for Loan that specifies a Eurodollar Rate Loan, such Request for Loan shall be deemed to specify a Base Rate Loan.

(d) Upon payment or prepayment of any Eurodollar Rate Loan, (other than as the result of a conversion required under Section 3.6(b)),

on a day other than the last day in the applicable Eurodollar Period (whether voluntarily, involuntarily, by reason of acceleration, or otherwise), or upon the failure of Borrower to borrow on the date or in the amount specified for a Eurodollar Rate Loan in any Request for Loan, Borrower shall indemnify the Lenders against and reimburse each Lender on demand for all costs, expenses, penalties, losses, legal fees and damages incurred or sustained, or that would be incurred or sustained, by the Lenders, including loss of interest, as reasonably determined by the

Lenders, to the extent that the same are a direct result of such payment, prepayment or failure to borrow. Each Lender's determination of the amount payable under this Section 3.6(d) shall be conclusive in the absence of manifest error. The loss of interest by Lender will be calculated as (i)

the principal amount of the subject Loan, times (ii) a fraction the

numerator of which is the number of days between the date of payment and
the last day of the applicable Eurodollar Period, and the denominator of
which is 360, times (iii) the Eurodollar Rate for the subject Loan, minus

the Eurodollar Rate that would be applicable to a Loan in the amount of the
subject Loan to be made on the date of prepayment or a period equal to the
number of days remaining in the applicable Eurodollar Period (to the extent
such difference is a positive number).

-29-

3.7 Post Default Interest and Late Payments. At the option of the

Requisite Lenders, so long as any Event of Default has occurred and is
continuing, the Loans shall thereafter bear interest, and if any installment of
principal or interest or any fee or cost or other amount payable under any Loan
Document to any Creditor is not paid when due, it shall thereafter bear interest
until paid in full, at a fluctuating interest rate per annum at all times equal
to the greater of (a) the Base Rate plus 2% per annum and (b) 2% per annum above
the rate of interest that would otherwise be applicable pursuant to this
Agreement (the "Default Rate"), to the fullest extent permitted by applicable
Laws. Accrued and unpaid interest on past due amounts (including interest on

past due interest) shall be compounded quarterly, on the last day of each
calendar quarter, to the fullest extent permitted by applicable Laws.

3.8 Right to Assume Payments Will be Made by Borrower. Unless the

Administrative Agent shall have been notified by Borrower prior to the date on
which any payment to be made by Borrower hereunder is due that Borrower does not
intend to remit such payment, the Administrative Agent may, in its sole
discretion, assume that Borrower has remitted such payment when so due and may,
in its sole discretion and in reliance upon such assumption, make available to
each Lender on such payment date an amount equal to such Lender's share of such
assumed payment. If Borrower has not in fact remitted such payment to the
Administrative Agent each Lender shall forthwith on demand repay to the
Administrative Agent the amount of such assumed payment made available to such
Lender, together with interest thereon in respect of each day from and including
the date such amount was made available by the Administrative Agent to such
Lender to the date such amount is repaid to the Administrative Agent at the
Federal Funds Rate.

3.9 Computation of Interest and Fees. Other than calculations in

respect of interest at the Bank of America prime rate (which shall be made on
the basis of actual number of days elapsed in a 365/366 day year), computation
of interest or fees under this Agreement shall be calculated on the basis of a
year of 360 days and the actual number of days elapsed. Borrower acknowledges
that such calculation method will result in a higher yield to the Lenders than a
method based on a year of 365 or 366 days.

3.10 Non-Banking Days. If any payment to be made by Borrower or any

other Party under any Loan Document shall come due on a day other than a Banking
Day, payment shall instead be considered due on the next succeeding Banking Day
and the extension of time shall be reflected in computing interest.

3.11 Manner and Treatment of Payments.

(a) Each payment hereunder shall be made to the Administrative
Agent, at the Administrative Agent's Office, for the account of the
relevant Creditor in immediately available funds not later than 11:00 a.m.,
Los Angeles time, on the day of payment (which must be a Banking Day). All
payments received after these deadlines on any Banking Day, shall be deemed
received on the next succeeding Banking Day. The amount of all payments
received by the Administrative Agent for the account of any Lender shall be
promptly paid by the Administrative Agent to that Lender in immediately
available funds. All payments shall be made in lawful money of the United
States of America.

(b) Each Lender shall use its best efforts to keep a record of
Loans made by it and payments received by it with respect to each of the
Loans and such record shall, as

-30-

against Borrower, be presumptive evidence of the amounts owing.
Notwithstanding the foregoing sentence, no Lender shall be liable to any
Party for any failure to keep such a record.

(c) Each payment of any amount payable by Borrower or any other
Party under this Agreement or any other Loan Document shall be made free

and clear of, and without reduction by reason of, any taxes, assessments or other charges imposed by any Governmental Agency, central bank or comparable authority (other than taxes on overall net income, gross income or gross receipts of a Lender or its Eurodollar Lending Office). To the extent that Borrower is obligated by applicable Laws to make any deduction or withholding on account of taxes, assessments or other charges imposed by any Governmental Agency from any amount payable to any Lender under this Agreement, Borrower shall (i) make such deduction or withholding and pay the same to the relevant Governmental Agency and (ii) pay such additional amount to that Lender as is necessary to result in that Lender's receiving a net after-tax (or after-assessment or after-charge) amount equal to the amount to which that Lender would have been entitled under this Agreement absent such deduction or withholding.

3.12 Funding Sources. Nothing in this Agreement shall be deemed to

obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

3.13 Failure to Charge Not Subsequent Waiver. Any decision by any

Creditor not to require payment of any interest (including interest arising

under Section 3.7), fee, cost or other amount payable under any Loan Document, or to calculate any amount payable by a particular method, on any occasion shall in no way limit or be deemed a waiver of that Creditor's right to require full payment of any interest (including interest arising under Section 3.7), fee,

cost or other amount payable under any Loan Document, or to calculate an amount payable by another method, on any other or subsequent occasion.

3.14 Authority to Charge Account.

(a) Borrower hereby authorizes Bank of America upon notice from the Administrative Agent to charge the Funding Account and thereafter to remit to the Administrative Agent, in such amounts as may from time to time be necessary to cause timely payment of principal, interest, fees and other charges payable by Borrower under the Loan Documents.

(b) Approximately five days prior to the date any payment is due from Borrower under any of the Loan Documents, the Administrative Agent shall provide to Borrower a statement of the amounts that will be due on such date (the "Billed Amount"). The calculation of the Billed Amount shall be made on the assumption that no new Loans or payments will be made between the date of the billing statement and the date the amounts are due, and that there will be no changes in the applicable interest rate.

(c) Bank of America, upon notice from the Administrative Agent will charge the Funding Account for the Billed Amount regardless of the actual amount of interest accrued (the "Accrued Amount"). If the Billed Amount charged to the Funding Account differs from the Accrued Amount, the discrepancy will be treated as follows: (i) if the Billed Amount is less than the Accrued Amount, the Billed Amount for the following payment date will be

-31-

increased by the amount of the discrepancy (and no Default or Event of Default shall be deemed to have occurred solely as a result of such discrepancy); and (ii) if the Billed Amount is more than the Accrued Amount, the Billed Amount for the following payment date will be decreased by the amount of the discrepancy. Regardless of any such discrepancy, interest will continue to accrue based on the actual amount of principal outstanding under the Loans, without compounding. The Administrative Agent and the Lenders shall not pay to Borrower on the time value of any interest on any excess payment.

(d) Nothing herein shall obligate the Administrative Agent to charge the Funding Account as provided above at a time when there are not sufficient good funds in such account, and if there are insufficient funds in the Funding Account on a date the Administrative Agent enters any debit authorized hereby, the Administrative Agent shall reverse such debit to the extent of such insufficiency.

3.15 Survivability. All of Borrower's obligations under Sections 3.5,

3.6 and 11.12 shall survive for one year following the date on which all Loans hereunder are fully paid.

-32-

Borrower represents and warrants to the Creditors as follows:

4.1 Existence and Qualification; Power; Compliance With Laws. Borrower

is a corporation duly formed, validly existing and in good standing under the laws of the state of Delaware. Borrower is duly qualified to transact business, is in good standing in its jurisdiction of incorporation and each other jurisdiction, in which the conduct of its business or the ownership or leasing of its properties makes such qualification or registration necessary, except

where the failure so to qualify or register and to be in good standing would not constitute a Material Adverse Effect. The chief executive office and principal place of business of Borrower are located at the addresses for notices set forth for Borrower in the signature pages to this Agreement. Borrower has all requisite corporate power and authority to conduct its business, and to own and lease its properties (except to the extent the same would not have a Material Adverse Effect) and to execute and deliver each Loan Document to which it is a party and to perform the Obligations. All outstanding shares of capital stock of Borrower are duly authorized, validly issued, fully paid, non-assessable and issued in compliance with all applicable state and federal securities and other Laws. Borrower is in compliance with all Laws and other legal requirements applicable to its business, has obtained all authorizations, consents, approvals, orders, licenses and permits from, and has accomplished all filings, registrations and qualifications with, or obtained exemptions from any of the foregoing from, any Governmental Agency that are necessary for the transaction of its business, except where the failure so to comply, file, register, qualify or obtain exemptions does not constitute a Material Adverse Effect.

4.2 Authority; Compliance With Other Agreements and Instruments and

Government Regulations. The execution, delivery and performance by Borrower and

the Guarantors of each Loan Document to which it is a Party have been duly authorized by all necessary corporate action, and do not:

- (a) Require any consent or approval not heretofore obtained of any partner, director, stockholder, security holder or creditor of such Party, except as heretofore obtained;
- (b) Violate or conflict with any provision of that such Party's charter, certificate of incorporation or bylaws, as applicable;
- (c) Result in or require the creation or imposition of any Lien or right of others upon or with respect to any material Property now owned or leased or hereafter acquired by that Party;
- (d) Violate any Requirement of Law applicable to such Party in any material respect;
- (e) Result in a breach of or constitute a default under, or cause or permit the acceleration of any obligation owed under, any indenture or loan or credit agreement or any other Contractual Obligation to which such Party is a party or by which such Party or any of its Property is bound or affected;

-33-

and no Party is in violation of, or default under, any Requirement of Law or Contractual Obligation, or any indenture, loan or credit agreement described in Section 4.2(e), in any respect that constitutes a Material Adverse Effect.

4.3 No Governmental Approvals Required. No authorization, consent,

approval, order, license or permit from, or filing, registration or qualification with, any Governmental Agency is required to authorize or permit under applicable Laws the execution, delivery and performance by Borrower and the Guarantors of any of the Loan Documents to which it is a Party.

4.4 Subsidiaries.

(a) As of the Closing Date, Schedule 4.4 hereto correctly sets forth the names, the form of legal entity, and jurisdictions of organization of all Subsidiaries of Borrower and indicates, as of the Closing Date, which Subsidiaries are Significant Subsidiaries. Except as described in Schedule 4.4, Borrower does not own as of the Closing Date any capital stock or equity interest in any Person other than marketable securities. All of the outstanding shares of capital stock, or all of the units of equity interest, as the case may be, of each such Subsidiary are owned of record and beneficially as indicated on Schedule 4.4, and all such shares or equity interests so owned are duly authorized, validly issued, fully paid, nonassessable, and were issued in compliance with all applicable state, federal and other Laws, and are free and clear of all Liens.

be so duly qualified and in good standing do not constitute a Material Adverse Effect).

(c) Each such Subsidiary is in compliance with all Laws and other requirements applicable to its business and has obtained all authorizations, consents, approvals, orders, licenses, and permits from, and each such Subsidiary has accomplished all filings, registrations, and qualifications with, or obtained exemptions from any of the foregoing from, any Governmental Agency that are necessary for the transaction of its business, except where the failure to be in such compliance, obtain such authorizations, -----

the right to use to the extent necessary in their respective businesses, all material trademarks, trade names, copy rights, patents, patent rights, computer software, licenses and other intangible assets that are used in the conduct of their businesses as now operated. None of the intangible assets described in the first sentence of this Section, to the best knowledge of Borrower, conflicts with the valid trademark, trade name, copyright, patent, patent right or intangible asset of any other Person to the extent that such conflict constitutes a Material Adverse Effect.

(c) As of the Closing Date, all contributions required to be made by Borrower or any of its Subsidiaries to a Multiemployer Plan described in Schedule 4.13 have been made except as may be described in Schedule 4.13. Neither Borrower nor any Subsidiary of Borrower has incurred any withdrawal liability under Section 4201 of ERISA that could have a material adverse effect on Borrower or its Subsidiaries. Neither Borrower nor any Subsidiary of Borrower has received any notification that any Multiemployer Plan is in reorganization or has been terminated, within the meaning of Title IV of ERISA, and no Multiemployer Plan is reasonably expected to be in reorganization or to be terminated, where such reorganization has resulted or can reasonably be expected to result in an increase in the contributions required to be made to such Plan that could have a material adverse effect on Borrower and its Subsidiaries taken as a whole.

(d) Each of Borrower, its Subsidiaries and its ERISA Affiliates are in compliance with those provisions of ERISA which are applicable to Borrower, its Subsidiaries and its ERISA Affiliates, the non-compliance with which would have a Material Adverse Effect on Borrower.

hereunder will be used to purchase or carry, or to extend credit to others for the purpose of purchasing or carrying, any "margin stock" (as such term is defined in Regulation U) in violation of Regulations T, U or X.

4.15 Disclosure. No written statement made by a Responsible Official

of Borrower or any Guarantor to any Creditor in connection with this Agreement, or in connection with any Loan, contains any untrue statement of a material fact or omits a material fact necessary to make the statement made not misleading in light of all the circumstances existing at the date the statement was made. There is no fact known to Borrower or any Guarantor (other than facts generally

applicable to businesses of the types engaged in by Borrower) which would constitute a Material Adverse Effect that has not been disclosed in writing to the Lenders.

indemnified and (b) such taxes, if any, as are being contested in good faith by appropriate proceedings diligently pursued and as to which adequate reserves have been established and maintained. To the best knowledge of Borrower, there is no tax assessment contemplated or proposed by any Governmental Agency against Borrower or any Subsidiary of Borrower that would constitute a Material Adverse Effect.

4.17 Budget. To the best knowledge of Borrower, the assumptions on

which Borrower has based the Budget are reasonable and consistent with each other and with all material facts known to Borrower, and the Budget is reasonably based on such assumptions. Nothing in this Section shall be construed as a representation or covenant that the Budget in fact will be achieved.

(b) Except as specifically disclosed in Schedule 4.18, Borrower and each of its Subsidiaries have obtained all licenses, permits, authorizations and registrations required under any Environmental Law ("Environmental Permits")

(c) Except as specifically disclosed in Schedule 4.18, neither any of Borrower nor any Subsidiary of Borrower (nor to the best knowledge of Borrower no current tenants, or other occupants of all or part of the Real Property) or any of their respective present

(d) Except as specifically disclosed in Schedule 4.18, there are no Hazardous Materials or other conditions or circumstances existing with respect to any Property, or arising from operations prior to the Closing Date, of Borrower or any of its Subsidiaries that could reasonably be expected to give rise to Environmental Claims with a potential liability of Borrower and its Subsidiaries in excess of \$1,000,000 in any such case. In addition, (i) neither Borrower nor any Subsidiary of Borrower has any underground storage tanks (x) that are not properly registered or permitted under applicable Environmental

(n) The occurrence of a Change in Control.

9.2 Remedies Upon Event of Default. Without limiting any other

rights or remedies of the Creditors provided for elsewhere in this Agreement or the Loan Documents, or by applicable Law, or in equity, or otherwise:

-53-

(a) Upon the occurrence of any Event of Default other than an Event of Default described in Section 9.1(1):

(1) the Commitment to make Loans and to issue Letters of Credit and all other obligations of the Creditors and all rights of Borrower and any other Party under the Loan Documents shall terminate without notice to or demand upon Borrower, which are expressly waived by Borrower, except that the

Requisite Lenders (or, to the extent required by Section 11.2, all the Lenders) may waive the Event of Default or, without waiving, determine, upon terms and conditions satisfactory to the Requisite Lenders (or, to the extent required by Section 11.2, all the Lenders), to make further Loans;

(2) the Requisite Lenders (or, to the extent required by Section 11.2, all of the Lenders) may request the Issuing Lender to, and the Issuing Lender thereupon shall demand immediate payment by Borrower of an amount equal to the aggregate effective face amount of all outstanding Letters of Credit issued to Borrower as provided in Section 2.5 to be held as cash collateral for the reimbursement obligations of Borrower under such Letter of Credit; and

(3) the Requisite Lenders (or to the extent required by Section 11.2, all Lenders) may request the Administrative Agent to, and the Administrative Agent thereupon shall, declare all or any part of the unpaid principal of all Loans, all interest accrued and unpaid thereon and all other amounts payable under the Loan Documents to be forthwith due and payable, whereupon the same shall become and be forthwith due and payable, without protest, presentment, notice of dishonour, demand or further notice of any kind, all of which are expressly waived by Borrower.

(b) Upon the occurrence of any Event of Default described in Section 9.1(1):

(1) the Commitment to make Loans and to issue Letters of Credit and all other obligations of Creditors and all rights of Borrower and any other Party under the Loan Documents shall terminate without notice to or demand upon Borrower, which are expressly waived by Borrower, except that all the

Lenders may waive the Event of Default or, without waiving, determine, upon terms and conditions satisfactory to all the Lenders, to make further Loans;

(2) an amount equal to the aggregate effective face amount of all outstanding Letters of Credit issued to Borrower shall be forthwith due and payable by Borrower to the Issuing Lender to be held by the Issuing Lender as cash collateral for the reimbursement obligations of Borrower to the Issuing Lender with respect to Letters of Credit issued by the Issuing Lender, without protest, presentment, notice of dishonour, demand or further notice of any kind, all of which are waived by Borrower; and

(3) the unpaid principal amount of all Loans, all interest accrued and unpaid thereon and all other amounts payable under the Loan Documents shall be forthwith due and payable, without protest, presentment, notice of dishonour, demand or further notice of any kind, all of which are expressly waived by Borrower.

-54-

(c) Upon the occurrence of any Event of Default, the Lenders and the Administrative Agent or any of them, without notice to or demand upon Borrower, which are expressly waived by Borrower, may proceed (but only with

the consent of the consent of the Requisite Lender) to protect, exercise and enforce their rights and remedies under the Loan Documents against Borrower and such other rights and remedies as are provided by Law or equity.

(d) The order and manner in which the Lenders' rights and remedies are to be exercised shall be determined by the Requisite Lenders in their sole discretion, and all payments received by the Creditors, or any of them, shall be applied first to the costs and expenses (including attorneys' fees and disbursements) of the Administrative Agent, acting in such capacity, second, to the principal amount of the Obligations and interest and credit fees thereon, and thereafter paid pro rata to the Lenders in the same proportions that the aggregate Obligations owed to each Lender under the Loan Documents bear to the aggregate Obligations owed under the Loan Documents to all the Lenders, without priority or preference among the Lenders for application to Obligations. Regardless of how each Lender may treat payments for the purpose of its own accounting, for the purpose of computing Borrower's Obligations hereunder, payments shall be applied first, to the

costs and expenses of the Creditors, as set forth above, second, to the

payment of accrued and unpaid interest due under any Loan Documents to and including the date of such application (ratably, and without duplication, according to the accrued and unpaid interest due under each of the Loan Documents), and third, to the payment of all other amounts (including principal and credit fees) then owing to the Creditors under the Loan Documents. No application of payments will cure any Event of Default, or prevent acceleration, or continued acceleration, of amounts payable under the Loan Documents, or prevent the exercise, or continued exercise, of rights or remedies of the Lenders hereunder or thereunder or at law or in equity.

-55-

ARTICLE 10
THE ADMINISTRATIVE AGENT

10.1 Appointment and Authorization. Each Lender hereby irrevocably

appoints, designates and authorizes the Administrative Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, nor shall the Administrative Agent have or be deemed to have any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

10.2 Delegation of Duties. The Administrative Agent may execute any

of its duties under this Agreement or any other Loan Document by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that they select with reasonable care.

10.3 Liability of the Administrative Agent. None of the Agent

Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document (except for its own gross negligence or willful misconduct), or (ii) be responsible in any manner to any of the Creditors for any recital, statement, representation or warranty made by Borrower or any Subsidiary or Affiliate of Borrower, or any officer thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, or for the value of any Collateral or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or for any failure of Borrower or any other Party to any Loan Document to perform its obligations hereunder or thereunder. No Agent Related Person shall be under any obligation to the Creditors to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the Properties, books or records of Borrower or any of Borrower's Subsidiaries or Affiliates.

10.4 Reliance by Administrative Agent.

(a) The Administrative Agent shall be entitled to rely, and

shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, statement or other document or conversation believed by them to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to Borrower), independent accountants and other experts selected by them. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless they shall first receive such advice or concurrence of the Requisite Lenders (and, in a case covered by Section 11.2, of all the Lenders) as they deem appropriate and, if they so request, they shall first be indemnified to their satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of

-56-

taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Requisite Lenders (or, in a case covered by Section 11.2, of all the Lenders) and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

(b) For purposes of determining compliance with the conditions specified in Section 8.1, each Lender that has executed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with each document or other matter either sent by the Administrative Agent to such Lender for consent, approval, acceptance or satisfaction, or required thereunder to be consented to or approved by or acceptable or satisfactory to the Lender.

10.5 Notice of Default. The Administrative Agent shall not be deemed

to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be requested by the Requisite Lenders in accordance with Article 9; provided, however, that unless and until the Administrative Agent shall have received any such request, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as each shall deem advisable or in the best interest of the Lenders.

10.6 Credit Decision. Each other Creditor expressly acknowledges that

none of the Agent Related Persons has made any representation or warranty to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of Borrower and its Subsidiaries shall be deemed to constitute any representation or warranty by the Administrative Agent to any other Creditor. Each other Creditor represents to the Administrative Agent that it has, independently and without reliance upon the Administrative Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, Property, financial and other condition and creditworthiness of Borrower and its Subsidiaries, and all applicable bank regulatory laws relating to the transactions contemplated thereby, and made its own decision to enter into this Agreement and extend credit to Borrower hereunder. Each other Creditor also represents that it will, independently and without reliance upon the Administrative Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, Property, financial and other condition and creditworthiness of Borrower. Except for notices, reports and other documents expressly herein required to be furnished to the other Creditors by the Administrative Agent, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, Property, financial and other condition or creditworthiness of Borrower or any of its Subsidiaries which may come into the possession of any of the Agent Related Persons.

-57-

10.7 Indemnification. Whether or not the transactions contemplated

hereby shall be consummated, the Lenders shall indemnify upon demand the Agent Related Persons (to the extent not reimbursed by or on behalf of Borrower and without limiting the obligation of Borrower to do so), ratably

from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses and disbursements of any kind whatsoever which may at any time (including at any time following the repayment of the Loans and the termination or resignation of the Administrative Agent) be imposed on, incurred by or asserted against any such Person in any way relating to or arising out of this Agreement or any document contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by any such Person under or in connection with any of the foregoing; provided, however,

that no Lender shall be liable for the payment to the Agent Related Persons of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting solely from such Person's gross negligence or willful misconduct. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including attorneys fees and expenses and the allocated fees and expenses of any internal counsel to the Administrative Agent) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of Borrower. Without limiting the generality of the foregoing, if the Internal Revenue Service or any other Governmental Agency asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason) such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including penalties and interest, and including any taxes imposed by any jurisdiction on the amounts payable to the Administrative Agent under this Section, together with all costs and expenses (including attorneys fees and expenses and the allocated fees and expenses of any internal counsel to the Administrative Agent). The obligation of the Lenders in this Section shall survive the payment of all Obligations hereunder.

10.8 Bank of America in its Individual Capacity. Bank of America and

its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire equity interests in and generally engage in any kind of banking, trust, financial advisory or other business with Borrower and its Subsidiaries and Affiliates as though Bank of America were not the Administrative Agent hereunder and without notice to or consent of the Lenders. With respect to its Advances and its risk participation in Letters of Credit, Bank of America shall have the same rights and powers under this Agreement as any other Lender and may exercise the same as though it were not the Administrative Agent, and the terms "Lender" and "Lenders" shall include Bank of America in its individual capacity.

10.9 Successor Agents. The Administrative Agent may, and at the

request of the Requisite Lenders shall, resign upon 30 days' notice to the Lenders. If the Administrative Agent so resigns, the Requisite Lenders shall appoint from among the Lenders a successor Administrative Agent for the Lenders. If no successor is appointed prior to the effective date of the resignation, the Administrative Agent may appoint, after consulting with the Lenders and Borrower, a successor Administrative Agent from among the Lenders. Upon the acceptance of its appointment as successor agent hereunder, such successor agent shall succeed to all the rights, powers and duties of the retiring agent and the term "Administrative Agent" shall mean such successor agent and the retiring agent's

appointment, powers and duties as Administrative Agent shall be terminated. After any retiring agent's resignation under this Section, the provisions of this Article 10 and Sections 11.3, 11.12 and 11.22 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement. If no successor agent has accepted appointment as Administrative Agent by the date which is 30 days following a retiring agent's notice of resignation, the retiring agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of the retiring agent hereunder until such time, if any, as the Requisite Lenders appoint a successor agent as provided for above.

10.10 No Obligations of Borrower. Nothing contained in this Article 10

shall be deemed to impose upon Borrower any obligation in respect of the due and punctual performance by the Administrative Agent of its obligations to the Lenders under any provision of this Agreement, and Borrower shall have no liability to any Creditor in respect of any failure by any other Creditor to

perform any of its obligations to any other Creditor under this Agreement. Without limiting the generality of the foregoing, where any provision of this Agreement relating to the payment of any amounts due and owing under the Loan Documents provides that such payments shall be made by Borrower to the Administrative Agent for the account of the Lenders, Borrower's obligations to the Lenders in respect of such payments shall be deemed to be satisfied upon the making of such payments to such Person in the manner provided by this Agreement.

-59-

ARTICLE 11
MISCELLANEOUS

11.1 Cumulative Remedies; No Waiver. The rights, powers, privileges

and remedies of the Creditors provided herein or in any Loan Document are cumulative and not exclusive of any right, power, privilege or remedy provided by Law or equity. No failure or delay on the part of the Administrative Agent or any Lender in exercising any right, power, privilege or remedy may be, or may be deemed to be, a waiver thereof; nor may any single or partial exercise of any right, power, privilege or remedy preclude any other or further exercise of the same or any other right, power, privilege or remedy. The terms and conditions of Article 8 hereof are inserted for the sole benefit of the Administrative Agent and the Lenders; the same may be waived in whole or in part, with or without terms or conditions, in respect of any Loan without prejudicing the Administrative Agent's or any Lender's rights to assert them in whole or in part in respect of any other Loan.

11.2 Amendments; Consents. No amendment, modification, supplement,

extension, termination or waiver of any provision of this Agreement or any other Loan Document, no approval or consent thereunder, and no consent to any departure by any Party therefrom, may in any event be effective unless in writing signed by the Requisite Lenders (and, in the case of amendments, modifications, supplements, extensions or terminations of or to any Loan Document to which Borrower is a Party, the approval in writing of Borrower) and then only in the specific instance and for the specific purpose given; and, without the approval in writing of all the Lenders, no amendment, modification, supplement, termination, waiver or consent may be effective:

(i) To amend or modify the principal of, or the amount of principal, principal prepayments or the rate of interest payable on, any Loan, or the amount of the Commitment or of any commitment fee or any letter of credit fee payable to any Lender, or any other fee or amount payable to any Lender under the Loan Documents or to waive an Event of Default consisting of the failure of Borrower to pay when due principal, interest, any commitment fee or any letter of credit fee;

(ii) To postpone any date fixed for any payment of principal of, prepayment of principal of or any installment of interest on, any Loan or any installment of any commitment fee or letter of credit fee, or to extend the term of the Commitment.

(iii) To amend the provisions of the definition of "Requisite Lenders", Articles 8 or 9, or this Section 11.2; or

(iv) To amend any provision of this Agreement that expressly requires the consent or approval of all the Lenders.

Any amendment, modification, supplement, termination, waiver or consent pursuant to this Section 11.2 shall apply equally to, and shall be binding upon, all the Lenders and the Administrative Agent. Without implying that the Lenders are obligated to agree to any amendment, modification, supplement, extension, termination or waiver requested by Borrower, the Lenders may impose such additional conditions and such other fees and expenses (including pursuant to

Section 11.3) as the Lenders may deem appropriate in connection with the Lenders' approval thereof.

-60-

11.3 Costs, Expenses and Taxes. Borrower shall pay the reasonable

out-of-pocket costs and expenses of (a) the Administrative Agent in connection with the negotiation, preparation, execution and delivery of the Loan Documents (including reasonable fees and out-of-pocket expenses of legal counsel to the

Administrative Agent and, without duplication, the reasonable allocated costs of internal counsel to the Administrative Agent), (b) of each Creditor in connection with any amendment, modification, supplement, extension or waiver of the Loan Documents in connection with any refinancing, restructuring,

reorganization (including a bankruptcy reorganization) and enforcement or

attempted enforcement of the Loan Documents, and any matter related thereto, in
each case including filing fees, recording fees, title insurance fees, appraisal

fees, search fees and other out-of-pocket expenses and the reasonable fees and
out-of-pocket expenses of any legal counsel (including the reasonable allocated

cost of in-house counsel), independent public accountants and other outside
experts retained by the Administrative Agent, and including any costs, expenses

or fees incurred or suffered by each Creditor in connection with or during the
course of any bankruptcy or insolvency proceedings of Borrower or any Subsidiary
thereof, and (c) the Administrative Agent incurred in connection with the
administration of the Loan Documents. Borrower shall pay any and all documentary
and other taxes (other than income or gross receipts taxes generally applicable
to banks) and all costs, expenses, fees and charges payable or determined to be
payable in connection with the filing or recording of any Loan Document or any
other instrument or writing to be delivered hereunder or thereunder, or in
connection with any transaction pursuant hereto or thereto, and shall reimburse,
hold harmless and indemnify each Creditor from and against any and all loss,
liability or legal or other expense with respect to or resulting from any delay
in paying or failure to pay any such tax, cost, expense, fee or charge that each
Creditor may suffer or incur by reason of the failure of any Party to perform
any of its Obligations. Any amount payable to each Creditor under this Section
shall bear interest from the second Banking Day following the date of demand for
payment at the Default Rate.

11.4 Nature of Lenders' Obligations. The obligations of the Lenders

hereunder are several and not joint or joint and several. Nothing contained in
this Agreement or any other Loan Document and no action taken by the Creditors
or any of them pursuant hereto or thereto may, or may be deemed to, make the
Creditors a partnership, an association, a joint venture or other entity, either
among themselves or with Borrower or any Affiliate of Borrower. Each Lender's
obligation to make any Loan pursuant hereto is several and not joint or joint
and several, and is conditioned upon the performance by all other Lenders of
their obligations to make Loans. A default by any Lender will not increase the
Pro Rata Share of any other Lender. Any Lender not in default may, if it
desires, assume in such proportion as the nondefaulting Lenders agree the
obligations of any Lender in default, but is not obligated to do so.

11.5 Survival of Representations and Warranties. All representations

and warranties contained herein or in any other Loan Document, or in any
certificate or other writing delivered by or on behalf of any one or more of the
Parties to any Loan Document, will survive the making of the Loans hereunder
(except to the extent the same relate solely to a specified earlier date and

only until the full repayment of the Obligations and the termination of the
Commitment), and have been or will be relied upon by the Administrative Agent,
notwithstanding any investigation made by the Administrative Agent or on its
behalf.

11.6 Notices. Except as otherwise expressly provided in the Loan

Documents: (a) All notices, requests, demands, directions and other
communications provided for hereunder, telecopied, delivered by recognized
overnight delivery service or hand delivered to the appropriate party at the
address set forth on the signature pages of this Agreement or other applicable
Loan Document or, as to any party to any Loan

-61-

Document, at any other address as may be designated by it in a written notice
sent to all other parties to such Loan Document in accordance with this Section;
and (b) Any notice, request, demand, direction or other communication given by
teletypewriter must be confirmed within two Banking Days by letter mailed or
delivered to the appropriate party at its respective address. Except as

otherwise expressly provided in any Loan Document, if any notice, request,
demand, direction or other communication required or permitted by any Loan
Document is given by mail it will be effective on the earlier of receipt or the
third Banking Day after deposit in the United States mail with first class or
airmail postage prepaid; if given by teletypewriter, when sent; or if given by
recognized overnight delivery service or personal delivery, when delivered.
Regardless of its initial manner of delivery under this Section, the
Administrative Agent shall provide a follow-up copy of any notice of default by
the Borrower hereunder by certified mail, return receipt requested.

11.7 Execution of Loan Documents. This Agreement and any other Loan

Document may be executed in any number of counterparts and any party hereto or
thereto may execute any counterpart, each of which when executed and delivered
will be deemed to be an original and all of which counterparts of this Agreement

or any other Loan Document, as the case may be, when taken together will be deemed to be but one and the same instrument.

11.8 Binding Effect; Assignment.

(a) This Agreement and the other Loan Documents to which Borrower is a Party will be binding upon and inure to the benefit of Borrower, the Creditors, and their respective successors and assigns, except that Borrower may not assign its rights hereunder or thereunder or -----
any interest herein or therein without the prior written consent of all the Lenders. Each Lender represents that it is not acquiring its interest in the Loans with a view to the distribution thereof within the meaning of the Securities Act of 1933, as amended (subject to any requirement that disposition of such interest must be within the control of such Lenders). Any Lender may at any time pledge its interest in the Loans to a Federal Reserve Bank, but no such pledge shall release that Lender from its obligations hereunder or grant to such Federal Reserve Bank the rights of a Lender hereunder absent foreclosure of such pledge.

(b) From time to time, each Lender may assign all or any portion of its Pro Rata Share to any Eligible Assignee; provided that (i) the -----
assignee, if not then a Lender or an Affiliate of the assigning Lender, shall be approved by Borrower (which approval shall not be unreasonably withheld or delayed), (ii) such assignment shall be evidenced by an Assignment Agreement, a copy of which shall be furnished to the Administrative Agent as hereinbelow provided, (iii) except in the case of -----
an assignment to an Affiliate of the assigning Lender, to another Lender or of the entire remaining portion of the Pro Rata Share of the assigning Lender, the assignment shall not assign a Pro Rata Share equivalent to less than \$5,000,000 and (iv) the effective date of any such assignment shall be as specified in the Assignment Agreement, but not earlier than the date which is five Banking Days after the date the Administrative Agent has received the Assignment Agreement. Upon the effective date of such Assignment Agreement, the assignee named therein shall be a Lender for all purposes of this Agreement, with the Pro Rata Share therein set forth and, to the extent of such Pro Rata Share, the assigning Lender shall be released from its obligations under this Agreement.

(c) By executing and delivering an Assignment Agreement, the assignee Lender thereunder acknowledges and agrees that: (i) other than the representation and warranty that it is the legal and beneficial owner of the Pro Rata Share being assigned thereby free and

clear of any adverse claim, the assigning Lender has made no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness or sufficiency of this Agreement or any other Loan Document; (ii) the assigning Lender has made no representation or warranty and assumes no responsibility with respect to the financial condition of Borrower or the performance by Borrower of the Obligations; (iii) it has received a copy of this Agreement, together with copies of the most recent financial statements delivered pursuant to Section 7.1 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment Agreement; (iv) it will, independently and without reliance upon the Administrative Agent or any Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) it appoints and authorizes the Administrative Agent to take such action and to exercise such powers under this Agreement as are delegated to the Administrative Agent by this Agreement; and (vi) it will perform in accordance with their terms all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) The Administrative Agent shall maintain at the Administrative Agent's Office a copy of each Assignment Agreement delivered to it. After receipt of a completed Assignment Agreement executed by any Lender and an assignee, and receipt of an assignment fee of \$3,500 from such assignee, Administrative Agent shall, promptly following the effective date thereof notify Borrower and each Lender of the identity of the new Lender.

(e) Each Lender may from time to time grant participations to one or more banks or other financial institutions in a portion of its Pro Rata Share; provided, however, that (i) such Lender's obligations under -----
this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such

obligations, (iii) the participating banks or other financial institutions shall not be a Lender hereunder for any purpose except, if the

participation agreement so provides, for the purposes of Sections 3.5, 3.6, and 11.12 but only to the extent that the cost of such benefits to Borrower does not exceed the cost which Borrower would have incurred in respect of such Lender absent the participation, (iv) Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, (v) the participation shall be of the same Pro Rata Share, (vi) the participation interest shall be expressed as a percentage of the assigning Lender's Pro Rata Share as it then exists and shall not restrict an increase in the Commitment, or in the assigning Lender's Pro Rata Share, so long as the amount of the participation interest is not affected thereby and (vii) the consent of the holder of such participation interest shall not be required for amendments or waivers of provisions of the Loan Documents other than those which (A) extend the Maturity Date or any other date upon which any payment of money is due to the Lenders or (B) reduce the rate of interest on the Loans, any fee or any other monetary amount payable to the Lenders.

11.9 Foreign Lenders and Participants. Each Lender, and each holder

of a participation interest in the Loans that is incorporated under the Laws of a jurisdiction other than the United States of America or any state thereof shall deliver to Borrower (with a copy to the Administrative Agent), within twenty days after accepting an assignment or receiving a participation interest herein pursuant to Section 11.8, if applicable, two duly completed copies, signed by a Responsible Official, of either Form 1001 (relating to such Person and entitling it to a complete

-63-

exemption from withholding on all payments to be made to such Person by Borrower pursuant to this Agreement) or Form 4224 (relating to all payments to be made to such Person by Borrower pursuant to this Agreement) of the United States Internal Revenue Service or such other evidence satisfactory to Borrower and the Administrative Agent that no withholding under the federal income tax laws is required with respect to such Person. Thereafter and from time to time, each such Person shall (a) promptly submit to Borrower (with a copy to the Administrative Agent), such additional duly completed and signed copies of one of such forms (or such successor forms as shall be adopted from time to time by the relevant United States taxing authorities) as may then be available under then current United States laws and regulations to avoid, or such evidence as is satisfactory to Borrower and the Administrative Agent of any available exemption from, United States withholding taxes in respect of all payments to be made to such Person by Borrower pursuant to this Agreement and (b) take such steps as shall not be disadvantageous to it, in the judgment of such Lender, and as may be reasonably necessary (including the re-designation of its Eurodollar Lending Office, if any) to avoid any requirement of applicable laws that Borrower make any deduction or withholding for taxes from amounts payable to such Person.

11.10 Right of Setoff. If an Event of Default has occurred and is

continuing, the Administrative Agent or any Lender (but only with the consent of the Requisite Lenders) may exercise its rights under Article 9 of the Uniform Commercial Code and other applicable Laws and, to the extent permitted by applicable Laws, apply any funds in any deposit account maintained with it by Borrower and/or any Property of Borrower in its possession against the Obligations.

11.11 Sharing of Setoff. Each Lender severally agrees that if it,

through the exercise of any right of setoff, banker's lien or counterclaim against Borrower, or otherwise, receives payment of the Obligations held by it that is ratably more than any other Lender, through any means, receives in payment of the Obligations held by that Lender, then, subject to applicable Laws: (a) The Lender exercising the right of setoff, banker's lien or counterclaim or otherwise receiving such payment shall purchase, and shall be deemed to have simultaneously purchased, from the other Lender a participation in the Obligations held by the other Lender and shall pay to the other Lender a purchase price in an amount so that the share of the Obligations held by each Lender after the exercise of the right of setoff, banker's lien or counterclaim or receipt of payment shall be in the same proportion that existed prior to the exercise of the right of setoff, banker's lien or counterclaim or receipt of payment; and (b) Such other adjustments and purchases of participations shall be made from time to time as shall be equitable to ensure that all of the Lenders share any payment obtained in respect of the Obligations ratably in accordance with each Lender's share of the Obligations immediately prior to, and without taking into account, the payment; provided that, if all or any portion of a

disproportionate payment obtained as a result of the exercise of the right of setoff, banker's lien, counterclaim or otherwise is thereafter recovered from the purchasing Lender by Borrower or any Person claiming through or succeeding to the rights of Borrower, the purchase of a participation shall be rescinded

and the purchase price thereof shall be restored to the extent of the recovery, but without interest. Each Lender that purchases a participation in the Obligations pursuant to this Section shall from and after the purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased. Borrower expressly consents to the foregoing arrangements and agrees that any Lender holding a participation in an Obligation so purchased may exercise any and all rights of setoff, banker's lien or counterclaim with respect to the participation as fully as if that Lender were the original owner of the Obligation purchased.

-64-

11.12 Indemnity by Borrower. Borrower agrees to indemnify, save and

hold harmless each Creditor and their respective parent corporations, Subsidiaries, directors, officers, agents, attorneys and employees (collectively the "Indemnitees") from and against: (a) Any and all claims, demands, actions or

causes of action that are asserted against any Indemnitee by any Person (other than any Indemnitee or any Party) if the claim, demand, action or cause of

action directly or indirectly relates to a claim, demand, action or cause of action that such Person asserts or may assert against Borrower, any Affiliate of Borrower or any officer, director or shareholder of Borrower, provided that the

same relates to or arises from this Agreement, any other Loan Document, or any transaction contemplated hereunder or thereunder; (b) Any and all claims, demands, actions or causes of action that are asserted against any Indemnitee by any Person (other than any Indemnitee or any Party) if the claim, demand, action

or cause of action arises out of or relates to the Commitment, the use or contemplated use of proceeds of any Loan or Letter of Credit, or the relationship of Borrower and the Creditors under this Agreement; (c) Any administrative or investigative proceeding by any Governmental Agency arising out of or related to a claim, demand, action or cause of action described in clauses (a) or (b) above; and (d) Any and all liabilities, losses, costs or expenses (including reasonable attorneys' fees and out-of-pocket expenses of

legal counsel to any Indemnitee including, without duplication, the allocated cost of internal counsel for such Indemnitee) that any Indemnitee suffers or incurs as a result of the assertion of any foregoing claim, demand, action or cause of action; provided that no Indemnitee shall be entitled to

indemnification for any loss caused by its own gross negligence or willful misconduct. If any such claim, demand, action or cause of action is asserted against any Indemnitee, such Indemnitee shall promptly notify Borrower in writing, but the failure to so promptly notify Borrower shall not affect Borrower's obligations under this Section. Any obligation or liability of Borrower to any Indemnitee under this Section shall survive the expiration or termination of this Agreement and the repayment of all Loans and the payment and performance of all other Obligations.

11.13 Nonliability of the Creditors. Borrower acknowledges and agrees

that:

(a) Any inspections or audits of any Property of Borrower made by or through the Creditors are for purposes of administration of the Loan Documents only and Borrower is not entitled to rely upon the same, nor is any Creditor obligated to release to Borrower any information obtained as a result of such inspection or audit;

(b) By accepting or approving anything required to be observed, performed, fulfilled or given to any Creditor pursuant to the Loan Documents, Lender shall not be deemed to have warranted or represented the sufficiency, legality, effectiveness or legal effect of the same, or of any term, provision or condition thereof, and such acceptance or approval thereof shall not constitute a warranty or representation to anyone with respect thereto by any Creditor; and

(c) The relationship among Borrower its Subsidiaries and the Creditors is, and shall at all times remain, solely that of borrower, guarantors and lenders; no Creditor shall under any circumstance be construed to be a partner or joint venturer of Borrower or its Affiliates; no Creditor shall not under any circumstance be deemed to be in a relationship of confidence or trust or a fiduciary relationship with Borrower or its Affiliates, or to owe any fiduciary duty to Borrower or its Affiliates under this Agreement; the Creditors do not undertake or assume any responsibility or duty to Borrower or its Affiliates to select, review, inspect, supervise, pass judgment upon or inform Borrower or its Affiliates of any matter in connection with their Property or the operations of Borrower or its Affiliates; Borrower and its Affiliates shall rely entirely

review, inspection, supervision, exercise of judgment or supply of information undertaken or assumed by the Creditors in connection with such matters is solely for the protection of the Creditors and neither Borrower nor any other Person is entitled to rely thereon.

11.14 No Third Parties Benefited. This Agreement is made for the

purpose of defining and setting forth certain obligations, rights and duties of Borrower and the Creditors in connection with the Loans and Letters of Credit, and is made for the sole benefit of Borrower and the Creditors and the successors and assigns of the Creditors. Except as provided in Section 11.8 no other Person shall have any rights of any nature hereunder or by reason hereof.

11.15 Further Assurances. Borrower shall, and shall cause its

Subsidiaries to, at their expense and without expense to the Creditors, do, execute and deliver such further acts and documents as the Administrative Agent or the Requisite Lenders from time to time reasonably require for the assuring and confirming unto the Creditors of the rights hereby created or intended now or hereafter so to be, or for carrying out the intention or facilitating the performance of the terms of any Loan Document.

11.16 Confidentiality. Each Lender agrees to hold any confidential

information that it may receive from Borrower pursuant to this Agreement in confidence, except for disclosure: (a) To other Lenders; (b) To legal counsel

and accountants for Borrower, the Administrative Agent or any Lender; (c) To other professional advisors to Borrower, the Administrative Agent or any Lender; (d) To regulatory officials having jurisdiction over that Lender; (e) As required by Law or legal process or in connection with any legal proceeding to which that Lender is a party; and (f) To another financial institution in connection with a disposition or proposed disposition to that financial institution of all or part of that Lender's interests hereunder or a participation interest in its Loans, provided that the recipient has accepted

such information subject to a confidentiality agreement substantially similar to this Section. For purposes of the foregoing, "confidential information" shall mean any information respecting Borrower or its Subsidiaries reasonably considered by Borrower to be confidential, other than (i) information previously

filed with any Governmental Agency and available to the public, (ii) information previously published in any public medium from a source other than, directly or indirectly, that Lender, and (iii) information previously disclosed by Borrower to any Person not an Affiliate, agent or employee of Borrower without a confidentiality agreement substantially similar to this Section. Nothing in this Section shall be construed to create or give rise to any fiduciary duty on the part of any Creditor to Borrower or its Affiliates.

11.17 Integration. This Agreement, together with the other Loan

Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and supersedes all prior agreements, written or oral, on the subject matter hereof. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control and govern; provided that the inclusion of supplemental

rights or remedies in favor of the Creditors in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

11.18 Severability of Provisions. Any provision in any Loan Document

that is held to be inoperative, unenforceable or invalid as to any party or in any jurisdiction shall, as to that party or jurisdiction, be inoperative, unenforceable or invalid without affecting the remaining provisions or the

operation, enforceability or validity of that provision as to any other party or in any other jurisdiction, and to this end the provisions of all Loan Documents are declared to be severable.

11.19 Independent Covenants. Each covenant in Articles 5, 6 and 7 is

independent of the other covenants in those Articles; the breach of any such covenant shall not be excused by the fact that the circumstances underlying such breach would be permitted by another such covenant.

11.20 Headings. Article and Section headings in this Agreement and

the other Loan Documents are included for convenience of reference only and are not part of this Agreement or the other Loan Documents for any other purpose.

11.21 Arbitration Reference.

(a) Mandatory Arbitration. Any controversy or claim between or

among the parties hereto arising out of or relating to this Agreement or any agreements or instruments relating hereto or delivered in connection herewith, shall at the request of any party be determined by arbitration. The arbitration shall be conducted in accordance with the United States Arbitration Act (Title 9, U.S. Code), notwithstanding any choice of law provision in this Agreement, and under the Commercial Rules of the American Arbitration Association ("AAA"). The arbitrators shall give effect to statutes of limitation in determining any claim. Any controversy concerning whether an issue is arbitrable shall be determined by the arbitrators. Judgment upon the arbitration award may be entered in any court having jurisdiction. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief.

(b) Judicial Reference. A controversy or claim which is not

submitted to arbitration as provided and limited in subparagraph (a) shall, at the request of any party, be determined by a reference in accordance with California Code of Civil Procedure Sections 638 et seq. If such an election is

made, the parties shall designate to the court a referee or referees selected under the auspices of the AAA in the same manner as arbitrators are selected in AAA-sponsored proceedings. The presiding referee of the panel, or the referee if there is a single referee, shall be an active attorney or retired judge. Judgment upon the award rendered by such referee or referees shall be entered in the court in which such proceeding was commenced in accordance with California Code of Civil Procedure Sections 644 and 645.

(c) Provisional Remedies, Self-Help and Foreclosure. No

provision of this section shall limit the right of any party to this Agreement to exercise self-help remedies such as setoff, to foreclose against or sell any real or personal property collateral or security or to obtain provisional or ancillary remedies from a court of competent jurisdiction before, after, or during the pendency of any arbitration or other proceeding. The exercise of a remedy does not waive the right of either party to resort to arbitration or reference. At the Requisite Lenders' option, foreclosure under a deed of trust or mortgage may be accomplished either by exercise of power of sale under the deed of trust or mortgage or by judicial foreclosure.

-67-

11.22 Environmental Indemnity. Borrower hereby agrees to indemnify,

defend and hold harmless each Creditor and each of their respective officers, directors, employees, counsel, agents and attorneys-in-fact (each, an "Indemnified Person"), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, charges, expenses or disbursements (including fees and out-of-pocket expenses of legal counsel to

the Administrative Agent and the allocated costs of internal counsel to the Administrative Agent and, following an Event of Default, the allocated cost of internal environmental audit or review services), which may be incurred by or asserted against such Indemnified Person in connection with or arising, directly or indirectly out of any pending or threatened investigation, litigation or proceeding, or any action taken by any Person, with respect to: (a) any Environmental Claim arising out of or related to any Property subject to a Lien in favor of the Administrative Agent or any Lender. Following any Event of Default, no action taken by legal counsel chosen by the Administrative Agent or any Lender in defending against any such investigation, litigation or proceeding or requested remedial, removal or response action shall vitiate or any way impair Borrower's obligation and duty hereunder to indemnify and hold harmless each Creditor.

(a) In no event shall any site visit, observation, or testing by the Administrative Agent or any Lender (or any contractee of the Administrative Agent) be deemed a representation or warranty that Hazardous Materials are or are not present in, on, or under, the site, or that there has been or shall be compliance with any Environmental Law. Neither Borrower nor any other Person is entitled to rely on any site visit, observation, or testing by the Administrative Agent however the Administrative Agent shall endeavor (without liability for failing to do so) to inform Borrower of any material environmental liability disclosed to it by any such site visit, observation or testing. Neither the

Administrative Agent nor any Lender owes any duty of care to protect Borrower or any other Person against, or to inform Borrower or any other party of, any Hazardous Materials or any other adverse condition affecting any site or Property. Neither the Administrative Agent nor any Lender shall be obligated to disclose to Borrower or any other Person any report or findings made as a result of, or in connection with, any site visit, observation, or testing by the Administrative Agent or any Lender.

(b) The obligations in this Section shall survive payment of all other Obligations. At the election of any Indemnified Person, Borrower shall defend such Indemnified Person using legal counsel reasonably satisfactory to such Indemnified Person in such Person's sole discretion, at the sole cost and expense of Borrower. All amounts owing under this Section shall be paid within 30 days after demand.

11.23 Jurisdiction and Venue. Except as otherwise expressly provided

in any Loan Document, the parties hereto and thereto agree and intend that the proper and exclusive forum for any litigation of any disputes or controversies arising out of or related to the Loan Documents shall be the Superior Court of the State of California for the County of Los Angeles. Each party to any Loan Document, to the extent permitted by applicable laws, hereby expressly waives any defence or objection to jurisdiction or venue based on the doctrine of forum -----
non conveniens, and stipulates that the Superior Court of the State of -----
California for the County of Los Angeles shall have in personam jurisdiction and -----
venue over such party for the purpose of litigating any dispute or controversy arising out of or related to the Loan Documents. In the event Borrower or any Affiliate thereof should commence or maintain any action or proceeding arising out of or related to the Loan Documents in a forum other than the Superior Court of the State of California for the County of Los Angeles, Lender shall be entitled to request the dismissal or stay of such action or proceeding, and Borrower and its Affiliates stipulate that such action or proceeding shall be dismissed or stayed.

11.24 GOVERNING LAW. EXCEPT TO THE EXTENT OTHERWISE EXPRESSLY

PROVIDED THEREIN, EACH LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF CALIFORNIA.

11.25 PURPORTED ORAL AMENDMENTS. THE PARTIES HERETO EXPRESSLY

ACKNOWLEDGE THAT THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS MAY ONLY BE AMENDED OR MODIFIED, OR THE PROVISIONS HEREOF OR THEREOF WAIVED OR SUPPLEMENTED, BY AN INSTRUMENT IN WRITING THAT COMPLIES WITH SECTION 11.2. THE PARTIES HERETO AGREE THAT THEY WILL NOT RELY ON ANY COURSE OF DEALING, COURSE OF PERFORMANCE, OR ORAL OR WRITTEN STATEMENTS BY ANY REPRESENTATIVE OF THE ADMINISTRATIVE AGENT OR ANY LENDER THAT DOES NOT COMPLY WITH SECTION 11.2 TO EFFECT AN AMENDMENT, MODIFICATION, WAIVER OR SUPPLEMENT TO THE AGREEMENT OF THE OTHER LOAN DOCUMENTS.
