Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Item 8.01 Other Events.

On July 16, 2009, the Board of Directors of Korn/Ferry International (the “Company”) unanimously adopted and approved the Korn/Ferry International Amended and Restated 2008 Stock Incentive Plan (the “A&R 2008 Plan”), subject to stockholder approval, to make available 2,360,000 additional shares (the “Additional Shares”) of the Company’s common stock, par value \$0.01 per share (“Common Stock”) for stock based awards. The Company’s stockholders approved the A&R 2008 Plan at the 2009 Annual Meeting of Stockholders held on September 10, 2009 (the “Restatement Effective Date”).

The A&R 2008 Plan is identical to the Korn/Ferry International 2008 Stock Incentive Plan, other than the increase in the number of shares authorized for issuance described above, a change in the share-counting formula whereby full value awards count as 1.5 shares (as opposed to 1.8 shares) against the pool of shares available for issuance under the A&R 2008 Plan for shares granted on or after the Restatement Effective Date, and certain administrative changes. Subject to certain adjustments, the maximum number of shares of the Company’s Common Stock that may be issued pursuant to awards granted under the A&R 2008 Plan will be 3,980,000 plus any shares subject to outstanding awards under the Company’s Performance Award Plan, as of August 8, 2008, that on or after such date cease for any reason to be subject to such awards (other than by reason of exercise or settlement of the awards to the extent they are exercised for or settled in vested and nonforfeitable shares). The Company intends to continue to use the 2008 Stock Incentive Plan Form of Restricted Stock Award Agreement and 2008 Stock Incentive Plan Form of Stock Option Agreement, each of which were previously described in the Current Report on Form 8-K filed by the Company with the Securities and Exchange Commission on June 12, 2009, and attached as exhibits thereto, as the forms of restricted stock and stock option awards for certain participants in the A&R 2008 Plan, including the Company’s named executive officers.

The foregoing description of the terms of the A&R 2008 Plan is qualified in its entirety by reference to the actual terms of the A&R 2008 Plan, which is incorporated herein by reference.

In connection with the approval of the A&R 2008 Plan the Company committed that at least 50% of the Additional Shares underlying all awards granted in any fiscal year (counting options, stock appreciation rights, restricted stock and restricted stock units on a one to one basis for purposes of this calculation) would be stock options.

Item 9.01 Financial Statements and Exhibits.
