Management Changes in the Americas**

LOS ANGELES, Aug. 28, 2002—Korn/Ferry International (NYSE:KFY), the world's leading provider of recruitment solutions, today announced that James Boone, President of the Americas, will be departing from the company. His departure is the result of an ongoing effort to flatten the management organization, and his responsibilities will be assumed by the Regional Heads of the Americas, said Paul C. Reilly, Chairman and CEO.

"Jim helped lead Korn/Ferry through one of the toughest recruitment markets in history," said Reilly, "we greatly appreciate his effort and commitment to our company and brand. Jim led us through the high growth period of the late nineties, and also played a key role in re-sizing our organization for the current environment." Reilly added that the company continues to seek ways to streamline the operating structure and improve its operation efficiency.
