**Korn/Ferry Announces Additional \$50 Million Stock Repurchase Program**

**LOS ANGELES – November 5, 2007** – Korn/Ferry International (NYSE:KFY), the premier global provider of executive search, outsourced recruiting and leadership development solutions, today announced that its board of directors at a telephonic meeting on November 2, 2007, approved the additional repurchase of up to \$50 million of Korn/Ferry stock in a common stock repurchase program. Korn/Ferry previously approved stock repurchases in the aggregate amount of \$125 million. The shares may be repurchased from time to time in open market transactions or privately negotiated transactions at Korn/Ferry's discretion, subject to market conditions and other factors.

"Given our confidence in the firm's growth prospects and strong cash flows, we believe the repurchase of Korn/Ferry stock provides a very attractive and tax effective way to return capital to our shareholders," said Gary D. Burnison, Chief Executive Officer of Korn/Ferry International. "After three years of strategic operational re-engineering, reinvestment in the business, recruitment efforts and technology, our Board feels that we can continue to return cash to shareholders while maintaining substantial balance sheet strength to invest in our business."

Adding to the repurchase program will not affect Korn/Ferry's ability to invest in new products and solutions and other opportunities to fuel growth in the years ahead. "We truly believe that clients are increasingly turning to fewer service providers for their expanding talent management needs. Being a trusted advisor to our clients so that they will continue to choose us as one of their key service providers demands that we continually strive to bring new and improved offerings to market," said Mr. Burnison.
